The fact that the man is in a precarious condition and, if he continues to neglect his health, is a candidate for consumption or some equally terrible malady.

If a man doesn't wish to "dine with death for a waiter" he should take the right remedy for "little ills" as they arise, and thus ward off the "big ones." When a man's appetite is "finicky," when his liver is torpid, when he feels "headachey," dull, listless and generally out of sorts, he should take Dr. Pierce's Golden Medical Discovery. It makes the appetite keen, the liver active, the blood pure, the brain clear and the whole body alert and energetic. If the bowels are constipated Dr. Pierce's Pleasant Pellets will cure that.
