**GAVE HIM A WATCH**

Court Forest Queen, A. O. F., Honor Sec-  
retary R. H. Brock.

After the transaction of routine  
business at last night's regular meet-  
ing of Court Forest Queen, A. O. F.,  
Bro. R. H. Brock, who for 18 years  
has been the faithful and efficient  
financial secretary of the court, was  
asked to step forward. He was then  
presented with a gold watch and  
guard by Bro. Leslie Walton, accom-  
panied by the following address, read  
by Bro. John Cambridge:

To R. H. Brock:  
Respected Brother—The members of  
Court Forest Queen, No. 52, A. O. F.,  
realize in no unmistakable manner  
how much they owe to your unceasing  
zeal for the interest of the court and  
the welfare of the order. Not only has  
your advice on all matters been in-  
valuable, but your time and attention  
have been ever in harmony with the  
wishes of the members and the ardu-  
ous demands of the office which you  
have so wisely and ably filled. Often  
have you modestly retired from the  
opportunity of more representative  
positions when conflicting interests  
might have cast a shadow on the trust  
and best interests of the order. To  
Mrs. Brock, who at heart is a good  
Forester, we offer our gratitude for  
many pleasing recollections of social  
evenings spent with so genial and  
charming a hostess.

We ask you to accept this watch,  
for we can never forget the dignity,  
respect and untiring devotion so closely  
allied with the higher duties of the  
office under your care and for that  
genial personality which has endeared  
you to us all.

We trust that your heart will often  
respond in the long years to come  
with the memory of our social gather-  
ings, even as friendship and sincerity  
will ever be associated with you in  
our hearts. Signed on behalf of court,  
Joseph Premo, Chief Ranger.

Bro. Brock feelingly thanked the  
court for the mark of appreciation and  
esteem tendered him. District Chief  
Ranger Richards, who was present,  
spoke a few words in praise of Bro.  
Brock's zeal and efficiency. He also  
touched on several subjects pertaining  
to the order in general and the high  
court in particular.

large that growers talk of building a

**Doctors  
Order It.**

Doctors see at once the  
advantage of taking a medi-  
cine right to the part that  
is sick. You see the doctor  
orders his own medicines  
for the disease, and has  
his patient use Vapo-Cresolene at the  
same time. It destroys all germs  
of diphtheria, scarlet fever, measles,  
and other contagious diseases; and  
there is no remedy its equal for  
croup, sore throat and hard colds.  
You now see why it often cures  
whooping-cough in a few days. 15

Vapo-Cresolene is sold by druggists everywhere.  
A Vapo-Cresolene unit, including the Vaporizer and  
Cup, which should last a lifetime, and a bottle of  
Cresolene, complete, \$1.50; extra supplies of Creso-

**BISHOP BALDWIN AT MONTREAL.**  
Montreal Star: A congregation that  
filled the Church of St. James the  
Apostle to the doors, gathered last  
night to hear the Lord Bishop of Huron  
preach. It was a notable event  
in many ways. There was almost a  
record congregation; there was a mag-  
nificent sermon by Bishop Baldwin,  
who, though many years have passed  
since Montreal claimed him as a citizen,  
still holds a warm place in the hearts  
of the people. A notable in-  
cident was the extinguishing of the  
lights—due to the trouble at Lachine.  
The sermon went on without a break,  
and almost immediately a party of  
choir boys quietly entered with enough  
lighted candles to enable the service  
to go on to its close. The bishop  
preached from the text, "Come see the  
place where the Lord lay." Matt.  
xxviii, 6.

**"I NEVER WORRY."**  
Woodstock Express: Sam. Grigg,  
evangelist and ex-hotel man, of Lon-  
don, came in from Norwich this morn-  
ing and was met at the station by  
Sheriff Brady. The sheriff and Mr.  
Grigg are old friends, and in a drive  
over the town in the sheriff's landau  
old times were frequently recalled.

In the course of an interesting con-  
versation, the evangelist explained the  
method of his work, and the success  
with which it had been attended. The  
sheriff was an interested auditor, and  
cross-questioned his companion as to  
details. When asked what sort of a  
living there was in evangelical work,  
the ex-hotelman said:

"I never worry as to what is com-  
ing. The Lord always provides, and I  
never want any more."

This was what caused the thought-  
ful attitude of the sheriff when an  
Express reporter called this morning.  
"I was just thinking," said he, "whether  
or not I would try Sam. Grigg's  
plan as an experiment, now that the  
bottom is knocked out of the sheriff's  
business."

**ANNUAL CHURCH CONCERT.**  
The seventh annual concert of the  
Hill Street Methodist Church was held  
last night, the affair proving one of  
the most successful in the church's  
history. The pastor, Rev. H. E. Kel-  
lington, presided, and introduced the  
following attractive programme: An-  
them, by Hill Street choir; prayer,  
Rev. Mr. Hamilton; mixed quartet, Hill  
Street choir; recitation, "An Easter  
With Parvay," Miss E. Saunders; in-  
strumental, Mr. W. H. Hewlett; duet,  
"After the Day," Miss Eva Roblyn  
and W. H. Skinner; recitation, Miss  
Murdoch; female quartet, Miss Sparks-  
man, Mrs. Murray, Miss Alice Long  
and Miss Terry; solo (selected), Miss  
Eva Roblyn; speech, Rev. Mr. Hamil-  
ton; solo (selected), Mr. W. H. Skin-  
ner; male quartet, Messrs. Lewis,  
Winnett, Parker and Crossley; recita-  
tion, "Dick's Christmas," Miss E.  
Saunders; solo, "Say Yes, Mignon,"  
Miss Eva Roblyn; duet, Hill Street  
choir; recitation, Miss Murdoch; song,  
"When the Boys in Khaki Come  
Home," Mr. W. H. Skinner.

**THE BOARD OF WORKS.**  
Chairman Campbell stated at the  
board of health yesterday that the  
basement of the market house was  
absolutely filthy and unfit for storing  
butter and lard. Hence the council  
will be recommended to replace the old  
brick floor with cement. A citizen who  
had been refused permission to walk  
on the grounds surrounding the iso-  
lation hospital, asked permission to do  
so, as he wanted to know its value as  
pasture. In ten days the inspectors  
will be around the city, and household-  
ers are requested to clean their back  
yards. A report of the number of  
people using Carling's Creek for sew-  
age purposes was received, and they  
will be notified to connect their

A Great Convenience for Housekeepers.

Two young ladies in a certain city  
are employed down town and rent a  
small flat, where they do light house-  
keeping. Frequently they are invited  
out evenings, and the subject of meals  
is a puzzle.

Of late they have solved the problem  
by keeping some nice rich milk or  
cream convenient and a package of  
dry-crop Grape-Nuts nearby.

In thirty seconds the meal is ready  
and it is a most fascinating meal, too,  
for the creamy taste blends with the  
peculiar delicate sweet of the grape  
sugar in the Grape-Nuts producing a  
never-to-be-forgotten flavor. The sus-

"How to cut up a hog's head" is the  
interesting title of an article in this  
morning's Prototypist. How to deal  
with a subject upon which the  
staff of that paper should be able  
to give experienced advice.

Dundas Street East.—Our principal  
street has on either side been trans-  
formed into a long avenue. Vigorous  
and thriving shade trees have been  
set out, at short distances apart, from
