CANCER ATTACKS  
THE MIDDLE-AGED

Persons Approaching the Meridian of Life Should Beware of Little Lumps and Growths.

It is a well known fact that any physician will substantiate that there is a large percentage of cancer among those of middle life than at any other age. Persons at this time of life would do well to regard with suspicion any lumps or growths on their body. Should these prove malignant or of a cancerous nature, they can be removed completely without operation, by the use of our painless home treatment.

It is the most successful remedy for the cure of cancers and tumors, and has cured numbers of people here in Canada and saved them from the torture of the surgeon's knife or the painful operation.

Reported From the Cities  
East and West.

IN NEW YORK.

New York, July 1.—The hot weather which has caused so much suffering, continued today. At 9 o'clock the weather bureau thermometer showed a temperature of 87 degrees as compared with 82 at the same hour yesterday. The humidity early today was 45 per cent. Yesterday it was 56 per cent.

Between 1 and 9 a.m. seven deaths, due to the heat, were reported in this city.

LITTLE PROSPECT OF RELIEF.

Washington, July 1.—The hot wave in Washington shows no signs of breaking. At 8 o'clock this morning the lowest thermometer registered 82 degrees, and at 9 o'clock the mercury had climbed up to 92 degrees. This is 7 degrees hotter than it was at 9 o'clock yesterday morning.

At 2 o'clock this afternoon the official temperature was 100. Twelve prostrations have been reported during the past 24 hours.

HOTTER THAN EVER.

Philadelphia, July 1.—Today opened hotter and drier during the past week. The temperature was 86 at 8 o'clock, two degrees hotter than at the same hour yesterday, and at 9 o'clock had risen two degrees. The humidity registered 51 per cent. One death and 25 prostrations yesterday.

BOSTON IS SWeltering.

Cincinnati, July 1.—Three persons died today from the heat. Sixteen prostrations were reported. This brings the total to 21 deaths and 163 prostrations within the past week. At noon the mercury registered 90 degrees.

Milwaukee, July 1.—8:30 a.m.—Street thermometer at 8:30 a.m. today showed 88 degrees. The humidity intensified suffering, the air showing 85 per cent moisture.

At noon the official thermometer was 91 degrees. Instruments on the street level at the same hour marked 96.

At 12:20 p.m. suffering from the intense heat was alleviated by a sudden drop in temperature to 71, and shortly afterward by a heavy fall of rain.

In one of the plants 400 men and boys were thrown out of work. The Pittsburgh Forge and Iron Works, Allegheny, closed down, throwing 500 men out of employment. The temperature at noon was 94.

101 AT BALTIMORE.

Baltimore, July 1.—This city today is the hottest place in the United States, according to the weather bureau's report. At 2 p.m. the thermometer registered 91 degrees, and the relative humidity was about 65 per cent. Two prostrations have been reported, but as yet no deaths.

Buffalo, July 1.—The thermometer at the weather bureau registered 77 at 10 this morning, with a good breeze from the lake.

Paul, July 1.—During the early hours the mercury hovered about the 79 mark.

A storm appears probable.

HARD ON HORSES.

Hamilton, July 2.—On Saturday afternoon a horse attached to a wagon belonging to Mr. John Crawford, was sun struck on King street west, and had to be killed.

Two horses used in unloading a boat at McKay's dock on Saturday afternoon were overcome by the heat, and both died in their tracks. Teamsters say that Thursday, Friday and Saturday their horses suffered more than for years.

It was 83 degrees. On the street thermometers registered 94 at 8 o'clock. The air was almost perfectly still this morning, and there was no sign of a breeze. To add to the suffering the humidity was 59 per cent, as compared with 48 per cent yesterday.

Between 2 and 8 a.m. fourteen adults died of the heat on Manhattan Island. The prostrations were so numerous that it was impossible to keep a complete record of them.

HOTTER STILL.

The local forecast officials say there are no indications of immediate relief. Since 1:30 o'clock this morning 12 deaths and about 50 prostrations have been reported.

All records for July were broken by the temperature this morning.

TOO HOT TO ROW.

Poughkeepsie, N. Y., July 2.—Today is race day, and the college men shook their heads when the thermometer at 8:30 o'clock registered 93 degrees, and said that it would be wicked to let the men row in the heat of the day. The sun, and that the racing should be delayed until the sun had begun to go down behind the hills.

HEAT WAVE UNBROKEN.

Chicago, July 2.—The thermometers on the street at 8 a.m. registered 88 degrees, only two degrees lower today than at the same hour yesterday. The heat wave is not yet broken, and from present indications it is uncertain when it will be.

Kansas City, Mo., July 2.—At 8 a.m. the mercury registered 84-3 degrees above that of the same hour yesterday. The air was calm, and it appeared that yesterday's record of 98 degrees would be broken.

St. Louis, July 2.—There were many prostrations from heat during the night, but no additional deaths had been reported up to 8 a.m., when the thermometer was 88. There was no breeze, and the heat was extremely oppressive.

A Pain Remedy.  
The True Relief,  
Radway's Ready Relief

For over fifty years this wonderful remedy has proved itself the best, safest and surest antidote for pain in the world.

For Internal and External Use.

In using medicines to stop pain we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral sleep pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice, it makes the symptoms, shut up, and instead of removing trouble, breaks down the stomach, liver and bowels, and, if continued for any length of time, kills the nerves and produces local or general paralysis.

There is no necessity for using these narcotics when a positive remedy like RADWAY'S READY RELIEF will stop the most excruciating pain quicker, without entailing the least danger in either infant or adult.

Will Afford Instant Ease.

For headache (whether sick or nervous), toothache, neuralgia, rheumatism, lumbago, pains and weakness in the back, spine or kidneys, pains around the liver, pleurisy, swelling of the joints and pains of all kinds, the application of Radway's Ready Relief will afford immediate relief, and its continued use for a few days effect a permanent cure.

Instantly stops the most excruciating pains, allays inflammation and cures constipation, whether of the Lungs, Stomach, Bowels or other glands or mucous membranes.

This must be done before going out.

There is not a remedial agent in the world that will cure Fever and Ague and all other Malarial, Bilious and other fevers, aided by Radway's Pills, so quickly as Radway's Ready Relief.
