HAINS' FATE

Defense Through and State Wil Sum Up Case Before Night.

Flushing, Jan. 14.-Events crowded capable of following styles, without financial loss to employers. We furnish practical, accurate instructions. Cutting School, 243 Dundas street, London.

fast yesterday in the trial of Thorn-ton Jenkins Hains. When court adjourned Juror Thomas Walsh, injured in a street car accident in New York Tuesday night, was placed in the care of a physician by Justice Crane, that his injuries might not cause a mistrial of the case. Counsel for the defense concluded their summing up in the afternoon and Prosecutor Darrin began his address to the jury. Mr. Darrin will conclude his speech some time today and Justice Crane, after his charge, will give the case over to the jury.

Darrin Scores. Prosecutor Darrin, following the closing address of Mr. McIntyre, defense, bitterly scored many of the defense's witnesses called to testify as to the insanity of Captain Hains. For over two hours the state's attorney dwelt upon the question of the rationality of the army officer, His address to the jury was clothed in no dramatic terms or fancy utterances, and he confined himself to marshaling

the facts from the evidence. Only once did the prosecutor rise to an oratical climax and that was in talking of the killing of Wm. E. Annis

He said: "And after Aug. 12, when Captain Hains learned of his wife's countercharges to his divorce suit. for three days they planned to kill Annis. Upon the framework of what had happened in their lives they hung the cloak of falsehood with which to conceal the ghastly crime. The meetings with the real estate men was the framework. "But there had to be a defense for both the defendant and the captain, and it was agreed that Captain Hains'

defense should be insanity and that COMBINGS WANTED - SELL YOUR the defendant only went to buy real combings, any shade. 2231/2 Dundas estate and tried to prevent his brother the defendant only went to buy real from killing the publisher.' The prosecutor waxed sarcastic when he referred to the fact that men carry check books and not revolvers when they go to buy real estate. He asked the jurors if they believed the testimony of Captain Hains' cook, a negress, who said that in an early morning hour the wife of an army of-

> ed "summersaults." Mr. Darrin said he would not characterize the testimony of the defendant's family as the jury must determine its weight. Justice Crane said after adjournment that he wanted the case to g?

icer had come to her room and turn-

to the jury this evening. SAY HAULTAIN CAN'T PROVE HIS CHARGES
