

CAPTAIN BABY BUNTING AND DIMINUTIVE SCHOOL MA'AMS ARE AMONG THOSE WHO MAKE DEMANDS OF OLD FATHER CHRISTMAS

Rocking Horse Brigade Will Enlist Many Recruits This Christmas as a Result of the Requests for New Mounts by Hard-Riding Youngsters.

MANY OF THE GIRLS WANT TO PLAY TEACHER WITH A NEW BLACKBOARD

One of the Writers Wants Three Subscriptions to The Advertiser Included in Her List—Another Little Maid Pens Her Wishes While She Is Sick in Bed.

The rocking horse brigade, made famous in one of the prettiest of little children's songs ever written, promises to have many recruits as a result of the visit of Santa Claus. In the instructions that The Advertiser has sent to the good old saint from its friends, many wooden chargers are demanded. The boys continue to send in novel requests, and few of them are likely to be refused the gifts they want.

That there are a great many prospective school teachers in the country at the present time is seen by the large number of requests for blackboards from the little girls. Scores of them have asked for one "with three legs," and there are many who want grocery stores.

A number of kindly Londoners have offered to help the children who appear to be in need. A prominent London businessman made a trip to East London today to see a family that was in rather trying circumstances. A Sarnia lady, who asked for information regarding a child, will be given the information.

But Will He Go to Sleep?

Five Minutes Sometimes Makes A Big Difference

If You Are Suffering the Tortures of Indigestion and Have to Wait Until Someone Runs to the Drug Store for a Box of Stuart's Dyspepsia Tablets.

Free Trial Package. The instant relief afforded poor overburdened stomachs by the use of Stuart's Dyspepsia Tablets should be a reason for constantly keeping a box on hand at home and at the office as well.

The Stomach Welcomes Quick Relief.

A Stuart's Tablet not only aids digestion but actually does the digesting itself. In other words, it furnishes exactly the same elements as the digestion of food as the natural juices of the stomach. The stomach, therefore, is not called upon to do any of the work except to churn the juices furnished by the tablet and then push the digested food along into the intestines where it will be still further digested and the strength taken up by the blood to be carried to the muscles and nerves of the body. So by taking a Stuart's Dyspepsia Tablet after a meal, you give the stomach the rest it needs in which to mend itself and grow well again. And you absolutely prevent the pouring of any food, the formation of any poisonous gases, belching, flatulence or constipation. Stuart's Dyspepsia Tablets have done more for humanity and have caused more rejoicing than any other one remedy that can be named. Every druggist everywhere sells and generally recommends Stuart's Dyspepsia Tablets. The price is 50 cents per box. If you first wish to try them, a sample package will be sent you free if you write to F. A. Stuart Company, 150 Stuart Building, Marshall, Mich.
