WITHDRAWS HER SUIT AND AVOIDS SCANDAL
Duchess of Orleans and Duke Will Settle Grievances By Arbitration.
[Canadian Press.]
Brussels, Belgium, Jan. 13.—The Duchess of Orleans, desiring to avoid scandal and the cost of the proceedings agreed today to withdraw from the courts the suit started by the duchess for separation, alimony and the restitution of large sums she had advanced to her husband. They agreed also to submit to arbitrators the questions of the property, and of the amount the duke should allow his wife for the suit. The bringing of the suit by the duchess aroused great interest in Europe where the duke is recognized as the pretender to the French throne, while the duchess, to whom he was married in 1898, was formerly the Archduchess Marie Dorothea Amelia of Austria. No children have been born of the union.
