# Health and Vitality For the Old People.

Wasted muscles, shattered nerves and failing strength may result from old age as well as from disease. As old age creeps on, vitality is lowered, the heart boats more slowly, the blood becomes thin and watery, and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr. Chase's Nerve Food.

Scores and hundreds of old people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissues. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old age this famous food cure is the greatest blessing which medical science has bestowed on mankind.
