Report has been made to the provin-cial department of rellways that G. T. P. steel out of Prince Rupert last Thursday passed Skeens Crossing, thus marking another historical event in the construction of the new Canadian Na onal Transcontinental line. With the building of the superstructure of the bridge at Skeena Crossing one of the most serious handicaps in the lay-ing of steel for hundreds of miles eastward will have been surmounted, and by Autumn it is expected that the line will extend into very considerable areas of fertile farming land and also rich

LYNN CREEK BRIDGE

Besidents of District Lot 547 Want Con nection With North Vancouver

A petition has been received at the public works department from residents of the eastern portion of District Lot 547, asking for the construction of a bridge over Lynn creek, the argument being advanced that the entire district is at present without connection with North Vancouver city except by water.

With respect to the promised erec-tion of the new bridge over the Nicola at Lower Nicola an influential local committee has been formed, 'consisting of Messrs. . Collett. Bewley, Forsyth, Gravelin, Shivel and Grey, to recommend to the public works department authorities a most suitable location. It is probable that the bridge will be built about midway between Coyle and Lower Nicola. There is a large area of land between these two settlements which is spoken of as admirably adapted for ranching and mixed farming, and it is essential that the new bridge should be erected et a point most convenient to facilitate the development of these lands.

St. Patrick's Day

MONTREAL, March 18 .- St. Patrick's day celebrations were brought to a close this evening by a banquet at the Windsor hotel. Hon, C. J. Doherty, Minister of Justice, Bishop Carroll of Helena, Montana, and Mr. Fitzgerald, of Nev York, were the chief speakers. A letter was read from Mr. John Redmond speakng optimistically of the future of Ireland and predicting Home Rule shortly.
