## PROTEST PROCEEDINGS AT DALHOUSIE

Evidence All Taken and Committee Will Report Wednesday Evening

Dalhousie, June 21st.—The evidence of the Dalhousie Town Council protest was closed last evening when the following witnesses were heard. Alderman D. McDonald, Mayor W. S. Montgomery and Mr. Andrew Barberie. Messrs. Ryan and Richard, barristers and Mayor Montgomery addressed the committee. The committee's report will be received at a special meeting of the council to be held on Wednesday evening, the 27th.

The important point in the whole matter seems to be whether the action of the Town Clerk, who the night of the election, declared the whole Montgomery ticket elected, rejecting ninety Scott ballots and the following day on a second recount, admitting the ninety rejected ballots, declaring five of the Scott ticket elected, was legal. There was considerable interest taken in the investigation there always being a large attendance of spectators in the Council Room.
