It then gradoutly widens, but from 150 yards on the fairway is only 40 yards wide at the start, with out of bounds to the right. It has gradoutly with the fairway is only 40 yards wide at the start, with out of bounds to the right. It has gradoutly with the fairway is only 40 yards wide at the start, with out of bounds to the right. It has gradoutly with the fairway is only 40 yards wide at the start, with out of bounds to the right.

A year later at Inverness Ted Ray will take as heavy a toll as the longer there are traps on both sides all the won with 295. In 1921, at Columbia ones—what with its punishment of Jim Barnes broke up the field with sand to the left and its crushing water 289. And last year, at Skotie, Gene hazard jammed into the green at the entrap to the right, not forgeting a Sarazen, by a final sprint in 68 fin-right.

ished first, with 288. shed first, with 288.

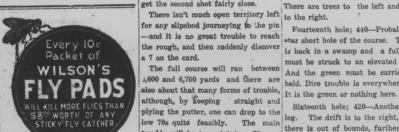

Great Variety.

So, the count has been gradually Inwood has a double quality of var
Tenth hole; 340—There is a dogworking toward lower figures, but we have a hunch that Inwood will check the rabid assault on par and the unpitch through the fairway.

leg quality to this hole, where a slight hook around a cluster of trees will hole assault on par and the unpitch through the fairway. the rabid assault on par and the un- pitch through the fairway.

turf and seaside nearness.

Beyond this it has the distance and await each slip. the quality of sand and marshes that

Clean to handle. Sold by all Druggists, Grocers and General Stores

Me have a hunch that 295 will be known—out of bounds, a vast shoal of turn the trick. ending march of even 4s good enough to win at Inwood, and traps and pits and bunkers, seaside Eleventh hole; 420—Here we have if the wind is blowing and the course rough and rudey and here and there a fine drive and iron type, with a well-

Inwood is undoubtedly a champion- Most of the greens are trapped as water in front, sand all around. You ship test of first quality. It has fine closely as the sand can be shoved and are either on or in harassing trouble dightly guarded, where the penaly will A simple 3 and almost as sin

And most of the greens are rolling Thirteenth hole; 400-The first call punish the wayward and the unskilled and, billows, where it is important to on this hole is an accurate tee shot on the present are rolling to the second shot fairly close. There isn't much open territory left to the right.

for any slipshod journeying to the pin

and it is no great trouble to reach
star short hole of the course. The terms the rough, and then suddenly discover is back in a swamp and a full iron a 7 on the card.

The full course will run between And the green must be carried and 5,600 and 6,700 yards and there are held. Dire trouble is everywhere else.

Sixteenth hole; 420-Another dogplying the putter, one can drop to the low 70s quite feasibly. The main trouble will be to maintain a 72 or a 73 clin for the four rounds.

Sixteenth hole; 429—Another dog-leg. The drift is to the right, where there is out of bounds, further aided by traps and trees. The green is 73 clip for the four rounds. The Eighteen Holes Seventeenth hole; 375-A drive and

First hole; 370—The scene opens with a drive and a pitch. There is rough matted rushes and a swamp to the right for a slice, a line of traps and bunkers to the left for a hook, and a well-trapped green.

Second hole; 390—The range extends.

Second hole; 390—The range extends.

Second hole; 390—The range extends.

Among the extremely fine holes on

Second hole; 390—The range extends. More power is needed. First of all, there is a diagonal bunker to carry, the carry running from 170 to 200 yards, as the golfer may feel about it. The longer the carry the shorter the second shot. After a good drive this hole calls for a mashie iron or mid-mashie to a green that is bunkered to the left with a killing water hazard to the right, both jam up against the green. A pushed or sliced second means almost a certain

Third hole; 495—Two fine shots will get there. But not against the wind. There is a carry over a rise, traps to the left and sloping, rolling green that is none too wide.

wood and iron all the work they need, and not turn most of the approaching, over to the mashie niblick. There will be joy and hope in the heart of the Golfer who slips by the first five holes in only one or two over 4s. But it is easy to run up to 23 or 24 strokes on these first five holes, and a start of this nature always has the tendement of the in 3-mine array of one-shot holes. There is a deep trap in front and to the right where a fade-in with a mashie iron will get closer to the pin. The
