THE REAL ESTATE BOOMSTER must come down to
straight solid business—The people
can always be trusted for finding out
the best value—Exclusive agency
and one price must prevail in the
end—A swarm of agents hawking
round the same property at fictitious
prices gluts the market to the disadvantage and disgust of buyer and
soller—Four out of six of the Charlesstreet houses have been sold without
the abatement of a dollar—the other
two will us doubt be purchased at
once.

FORT ROUILLE. OF ALL PROPERTIES FOR SALE by the lot in the city there is none that has the prospects for rapid rise in values that this has.
