B. B. B. Burdock Blood Bitters. In a purely vegetable compound, possessing powerful regulating powers over all the organs of the system, and controlling their actions. It is purer than the blood itself.

CURES. All blood humors and diseases, from a common pimples to the worst scrofulous sore, and this combined with its marvellous regulating and purifying influence on the actions of the liver, kidneys, bowels and skin, render it unequalled as a cure for all diseases of the SKIN.

FROM ONE TO TWO BOTTLES will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease. From two to four bottles will cure eczema or eczema, shingles, erysipelas, ulcers, abscesses, running sores, and all skin eruptions. It is noticeable that sufferers from DISEASES OF THE SKIN are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B. B. B. Passing on to graver yet prevalent diseases, such as scrofulous swellings, humors and SCROFULA.

WELL UNDOUBTED PROOF that from three to six bottles used internally and by outward application (diluted if the skin is broken) to the affected parts, will effect a cure. The great mission of B. B. B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach, and to open the entire works of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail.
