THE EARL OF ALDBOROUGH CURED BY

HOLLOWAY'S PILLS,
THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT. Extract of a letter from the Earl of Aldborough dated via Messrs. Leghams, 21st February 1845. To Professor HOLLOWAY.

Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my Family should ever require either.

Your most obliged and obedient Servant, (Signed) ALDBOROUGH A WONDERFUL CURE OF DROPSY OF FIVE YEARS' STANDING. Copy of a letter from Mr. Thomas Taylor, Chemist, Stockton, Durham, 17th April, 1845. To Professor HOLLOWAY.

I think it my duty to inform you that Mrs. Clough, wife of Mr. John Clough, a respectable farmer of Acklam, within four miles of this place, has been suffering from Dropsy for five years, and has been treated by the most eminent Physicians as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she had to get up in the morning it was impossible for her to do so, her feet being so swollen as to be painful to the touch.

(Signed) THOMAS TAYLOR. A CURE OF INDIGESTION AND CONSTIPATION OF THE BOWELS. Copy of a letter from G. R. Hughes Esq., Esq., Author of the "Book of the Bastille," &c. &c. The Bryans, near Selkirk, Montgomeryshire, North Wales, March 2nd 1845. To Professor HOLLOWAY.

I consider it my duty to inform you that your Pills, a few Boxes of which I purchased at Mr. Moore's, Druggist of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend them generally, to all your valuable Pills. You have my permission to publish this note, if you wish to do so.

(Signed) G. R. WYTHEM BAXTER. A CURE OF ASTHMA AND SHORTNESS OF BREATH. Extract of a letter from the Rev. David Williams, Resident Wesleyan Minister at Deacons, Island of Anguilla, North Wales January 14th 1845. To Professor HOLLOWAY.

The Pills which I requested you to send me were far more than the name of English Pills, which I had tried, and which were almost useless for the want of breath, and had quite another man's breath in my chest, and he is increasing daily in strength.

(Signed) DAVID WILLIAMS. N.B.—These extraordinary Pills will cure any case of Asthma or Shortness of Breath, however long standing, and if the case may be, even if the Patient be unable to lie down in bed through fear of being choked with cough and phlegm. A CURE FOR ALL!!

HOLLOWAY'S OINTMENT!
Extraordinary Cure of a Case ANNOUNCED BY GUY'S THE METROPOLITAN KING'S COLLEGE AND CHURCH-CROSS HOSPITALS, LONDON.

This fact was sworn to this 8th day of March 1842, before the Lord Mayor at the Mansion House.

Wm. BROOKE, Messenger of No 2, Union Street, Southwark, London, maketh oath and saith, that he (this deponent) was affected with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sore and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, on April 1841; where he continued for nearly four weeks; unable to receive a cure there the deponent sought relief at the three following hospitals:—King's College Hospital in May for five weeks;—at Guy's Hospital in July, for six weeks; and at Charing Cross Hospital, at the end of August for three weeks more; which deponent left, being in a far worse condition than when he had quitted Guy's where Sir BRANSBY COOPER, and other medical officers of the establishment had told him that the only chance of saving his legs was to lose his arm. The deponent thereupon called upon Dr. Bright chief Physician at Guy's who, on viewing deponent's condition, kindly and liberally said "I am sorry at a loss what to do for you, but here is half a sovereign; go to Mr. HOLLOWAY, and try what effect the Pills and Ointment will have, and I have frequently witnessed the wonderful effects they have in desperate cases. You will let me see you again." This medical advice was followed by the deponent, and a perfect cure effected in three weeks, by the use alone of HOLLOWAY'S PILLS & OINTMENT, after our Hospital had left me!! When Dr. Bright was shown by the deponent, the result of his advice and charity, he said, "I am both astonished and delighted for I thought that ever I saw you alive again, it would be without your arm. I can only compare this cure to the charm."

Sworn at the Mansion House, of the city of London, the 8th day of March, 1842. Wm. BROOKE.

Before me JOHN FINE, Mayor. IN ALL DISEASES OF THE SKIN. Bad Legs, Old Wounds, and Ulcers, Bad Brains, Sore Nipples, Stomach and Bowel Complaints, Tumors, Scalds, Swellings, Itchiness, and all other Diseases of the Skin, the Pills in the above case, applied to the legs with the Ointment, effected a cure. The Pills will be effected with a much greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the cure of Rheumatism, Stiffness, Obstructions, Swellings, and Ulcers of the Face, Neck, Breast, Child's, Claps of Hands, and Lips, and Burns and Scalds, which will be immediately cured by the use of the Ointment. THE PILLS are not only the best remedy known when used with the Ointment, but as a General Medicine there is another equal to them. In nervous Debility, vertigo, and all cases of general debility, or where there is a want of purity in the blood and fluids, they will insure HEALTH TO ALL!! N.B.—Directions for the Guidance of Patients are affixed to each Pot.
