ARRIVAL OF EMIGRANTS AT MIRAMICHI.—We copy from the Miramichi Gleaner of the 8th inst. the following melancholy account of the ship *Leoshtrak*, Capt. Thain, from Liverpool for Quebec, with 467 emigrants, having put into Miramichi on the 21st inst. in distress, having lost 117 passengers by disease, and that the crew with the exception of four, were laid up with sickness. The Gleaner says:—

"The usual quiet of our little town was considerably disturbed on Thursday afternoon last, by the appearance of a ship's boat off Henderson's wharf, and one of the parties hauling some of the persons thereon, stating he wished to be put in communication with the public authorities. A number of individuals specifically congregated, among them two or three Magistrates. The person in the boat then made his name, and stated that he commanded the ship *Leoshtrak*, belonging to Dublin, of upwards of 600 tons from Liverpool bound to Quebec, on 7 weeks' time; that he had when he left port, 467 passengers, 117 of whom died on the passage; that there were now 100 unable to help themselves, and that the crew, from exhaustion, were not able to work the ship. He craved medical attendance, fresh provisions, bread, &c. Two of the Poor Commissioners being present, immediately set about collecting necessities, and to the credit of the inhabitants of the town, the applicant to their humanity was spontaneously responded to. In a short time a large quantity of beef, bread, and other supplies were collected, and put on board the boat. The Hon. Joseph Conrad furnished the Captain with written instructions to the Commander of his *Steamer*, which was hourly expected from below, to tow the vessel up to the Quarantine ground. On Friday evening the ship was brought up by the steamer to the station near Middle Island, and yesterday the passengers were landed on that island, where temporary sheds had been erected for their reception on Sunday. The number of deaths as far as we have been able to ascertain since she put into this port, up to yesterday evening, was forty—a shocking mortality—and several bodies were interred on Saturday, Sunday, and yesterday, evening on the island. Eleven births occurred on the passage—one on Sunday. The disease is Typhus fever."

During the last week a large quantity of grain which brought down many of the large drives of Logs, on the Seaside and Marquette rivers. We are informed, that there is now sufficient logs in the ponds to keep the Mills employed until late in the fall.

DIED. At St. George, on the 7th inst., after a long illness which he bore with pious resignation to the Divine will, John Oliver, aged 71 years, the deceased was a member of the Baptist Church for 40 years and bore an irreproachable character in the Church. He has left a widow and five children with a large circle of relations to mourn their loss.

At Halifax, on Saturday evening last the Rev. William Cogswell, M. A., Curate of St. Paul's, in the 34th year of his age.

At Salem, Mass., on the 27th ult., Mrs. Mary Putnam, wife of Mr. Nathan Putnam, and youngest sister of Samuel Abbott Esq., of St. Stephen, N. B., aged 55 years—of a rheumatic and paralytic affection, of more than ten years duration.

At the Quarantine Hospital, Grose Isle, Quebec, on the 27th ult., of Typhus Fever, Dr. Benson, late of Castle Corner, Ireland. He arrived in the passenger-ship *Wanda-* worth.
