## Local Happenings

Attention is called to the notice in  
another column referring to unwar-  
ranted trespass by some parties mak-  
ing a thoroughfare of the old English  
Church cemetery. The committee in  
charge of improvements are going to  
put down this practice with a firm  
hand.

Stmr. Valinda is making two trips  
this week to take care of big rush of  
fruit, etc., going to St. John.

The service in St. Mary's Church,  
Belleisle, next Sunday afternoon, will  
commence at 2 o'clock instead of 3.  
Not often is a bear track seen with-  
in the town limits, but a few nights  
ago Big Bruin wandered into town and  
his footprints were clearly de-  
fined on the sidewalk near the office  
of the Windsor Furniture Co. A  
heavy rain that night had so softened  
the surface of the ground that the  
imprint was clearly made and was  
undoubtedly that of a bear.—Hants  
Journal.

Mr. John Spurr secured a nice  
moose near Perotte last week.

M. W. Graves & Co. commenced op-  
erations in their evaporator for the  
season on Tuesday and will probably  
operate for the usual period this Fall.

Why is it that in some places you  
never get a good cup of tea—that is,  
not as good as it should be? The  
answer is, careless making. MORSE'S  
SELECTED ORANGE PEKOE is the  
best tea in the world, but unless it is  
brewed properly, it will not give the  
best results. Be careful then when  
using it to follow directions, which  
are plainly printed on the wrapper.

X W. A. Chute, the old commodore  
building mover, has finished moving  
the store of A. W. Beals, South Wil-  
liamston, business being carried on  
as usual. The building was placed  
over a cellar and we are informed  
that the clock did not stop nor even  
a lamp chimney get broken. Mr. Beals  
states that the old commodore knows  
his business from A to Z.

Last week the largest shipment of  
silver black foxes ever made from  
Nova Scotia passed through here one  
day last week from Wolfville en route  
to Portland, Maine, accompanied by  
the owner, Mr. A. T. McConnell. There  
were fifty in all valued at \$500 each.  
Duty alone on this lot would be \$5000.

Hikes are becoming popular among  
a number of our young ladies. Two  
of them on Sunday made the round  
to Paradise up the North side of the  
river, returning by the South side and  
refused en route many an offer of  
a car drive. While walks of this  
length and much greater are frequen-  
tly taken by young ladies in England  
hiking to even this extent is not very  
frequently undertaken by young ladies  
in our Province of Nova Scotia.

Although some fairly optimistic  
reports have come from Annapolis  
on the moose hunting question Bridge-  
town Minors have thus far been play-  
ing in hard luck and at time of writ-  
ing none of the local hunters have  
appeared to meet with any success.

Last year at this time ye Editor had  
luxuriated in wild meat on several  
occasions but this year his hopes are  
slim. There is little doubt that moose  
are very scarce in at least most of  
the back country. Various reasons  
are assigned for the greater scarcity  
this season of these monarchs of the  
wilds but it is generally believed that  
a large number of these animals were  
slaughtered last Winter when snow  
in the woods was so deep that they  
were unable to escape from hunters.

Some confute this view of the matter  
and allege disease, inability to obtain  
nourishment, etc., etc. The fact re-  
mains that all game appears to be  
unusually scarce this season.

### Sewing Circle Gossip.

There was some discussion at the  
Circle this week as to the time of day  
when a cup of coffee tastes best. Some  
said one time and some said another,  
but we were all agreed that a good  
strong cup of LUXOR coffee was more  
than acceptable at any time. LUXOR  
seems to be growing in favor among  
"circle" members every day. We circle  
members do love our coffee.

The death occurred at the County  
Hospital last week of Miss Rosina  
Lunn, aged 30. She had been ill for  
some five years past, was a daughter  
of Edward Lunn, of Falmouth, to  
which place the remains were for-  
warded for burial.

The following unique happening  
was related to The Monitor by Mr.  
Avard Beeler and being of so un-  
usual an occurrence we take the lib-  
erty of passing it on to our readers.  
Mr. Beeler some days ago was driving  
from Dalhousie to Annapolis along  
the road which leads to Lequille and  
while proceeding at a fair pace some  
three or four miles from Annapolis,  
captured a partridge in a most un-  
usual manner. The bird, possibly  
startled by the approach of the car,  
flew across the road but in its flight  
struck one of the bows of the car,  
broke its neck and fell dead in the  
hind seat between Mrs. Beeler and  
her daughter Miss Mamie. Good hunt-  
er as Mr. Beeler undoubtedly is, it  
is very doubtful if he will ever be  
able to duplicate this unusual stunt  
in hunting without intention.

Mr. and Mrs. J. H. Austin and Mrs.  
W. H. Tupper motored from Halifax  
Thursday to Upper Granville, bring-  
ing with them Mrs. A. E. Phinney,  
who had been their guest for several  
weeks.

## Chevrolet now rated as Class "A" Insurance Risk

Less than a dozen motor cars—all much higher  
in price—have similar insurance rating, which  
is the lowest possible.

THE sound construction of Chevrolet Superior Models has again  
been proved by the fact that the Underwriters have given to  
Chevrolet Class "A" Insurance Rating. This means that the Che-  
vrolet owner gets the lowest possible rate of insurance on his car.  
Less than a dozen other cars so low, and they are all cars of much  
higher price.

This new ruling is further evidence of the attention to detail which  
Chevrolet engineers have given to the design and production of the  
Chevrolet Car.

### BAPTIST CHURCH NOTES

The Sunday School meets next Sun-  
day at 10 o'clock. The change of  
hour was recommended by the Work-  
er's Conference and ratified by the  
school last Sunday in open session.

There will be preaching at West  
Dalhousie on Thursday evening next  
at 7:30 o'clock.

The offering for the British and  
Foreign Bible Society has already ex-  
ceeded the amount allotted the Bap-  
tist Church by nearly \$20.00. We were  
asked for \$60.00 but hope to contribute  
about \$80.00.

The subject for the mid-week meet-  
ings this week will be "The Second  
Thing We Found in the Church, an  
Organization."

The pastor will preach at Ingle-  
wood next Sunday afternoon at four  
o'clock.

Mr. J. I. Foster is the Treasurer for  
the "Japan Relief Fund". Will those  
who were unable to attend the ser-  
vice Sunday evening pass their con-  
tribution to this fund to either him  
or the pastor before the close of this  
week. The offering Sunday evening  
went to this object.

The subject for next Sunday eve-  
ning will be "A Young Man's Chance."

A young people's choir will furnish  
the music. Young men will usher and  
receive the offering. Young men are  
especially invited to attend this ser-  
vice.

B.Y.P.U. on Friday evening at  
7:30. A "Surprise Programme" will  
be presented. The President will be  
surprised if you don't come, you'll be  
surprised if you do.

The bell in the Baptist Church next  
Sunday will ring at 9:30, 9:55 and 10:55  
in the morning—Chronometer time.

Miss Mabel Archibald of Chicacole,  
India, spoke in the church last Sun-  
day evening. The attendance was  
gratifyingly large and the address ex-  
ceedingly interesting.
