tender must be accompanied by an accepted cheque, approved by the Indian Agent for the district, for at least five per cent. of the amount thereof, which will be forfeited if the tenderer declines to enter into a contract when called on to do so or if he fails to fuifil his contract to the satisfaction of the Department. If the tenderer prefers to do so he may deposit with the Agent, in lieu of an accepted cheque, the notes of any chartered bank in Canada to an equal amount. Cheques or cash accompanying tenders not accepted will be returned, but a cheque deposited by a successful tenderer will be retained until the satisfactoriy completion of his contract Each tenderer is required to shew in his tend r the full value of all the flour which he is prepared to deliver under contract or his tender will not be entertained. Each tender must, in addition to the signature of the tenderer, be signed by two sureties

acceptable to the Department, for the projer performance of the contract. Tenders will be entertained for a portion the whole quantity of flour required at any given point. Tenderers residing near one Agency but desiring to tender for delivery within another Agency further distant, may deposit the tender and samples for the most distant at the nearest of the Agencies specified above, or with the Indian Commissioner at Region, Samples of flour will be returned if desired, to un successful tenderers on their application, and the sample' submitted by a successful

on account of his contracat. In all cases where transportation 'may be only partial by rail, contractors must make proper arrangements for their flour to be for warded at once from railway stations to its destination in the Government Warehouse at the point of delivery.

release was given back two. sonally known at Korti, but his story is cir- a chaos of excited deputies, all angrilly cumstantial, and there is thought to be not shouting and shaking their fists. The presi-

On the recommendation of the viceroy of India large grants have been accorded from the Indian treasury to Abdurnahman, ameer of Afghanistan, for the purpose of the complete repair of the forts in his territory, and particularly those at Herat. Those works of repair will be done under the supervision of English angineers, and additional guns needed by the fortifications of Afghanistan are to be supplied from Woolwich.

The body of a young woman who was soon to become a mother was found in the reservoir at Richmond en Saturday. It was supposed she had committed suicide but there s now no doubt she was bentemand thrown nto the reservoir by her seducer. The remains have been identified as those of Fanny Madison, of King William county. She was governess in a family residing in Bath county, and the supposition is that her seducer sent for her to meet her here for the purpose of marTying her, and that he coved her to the suburbs and murdered her. The villain will doubtless be arrested

A terrible state of affairs exists at Vernon, Willbarger county. Au assissination society was formed there some time ago, and three men have been 'mardened. Twenty three citizens are under arrest. ' It is claimed the object of the organization was to rid the country of cattle and horse thieves and incendiaries, A detective joined the organ ization and obtained all the documents and names of members, who bound themselves to kill all bad men, and to assist their breallowed to go free. The Mabdi did not enter sequences. Among the number arrested are the town until three days after its capture, and the sher ff of Willbarger county, seven of his deputies, and the proprietor of the Vernon

Guard.

The

A disgraceful scene occurred in the Austrian chamber of representatives at Vienna to day. Two deputies, one a Pole and the other & German, became engaged in an angry debate, during which insulting percavass left Khartoum fourteen days ago, hav- f sonalties were indulged in. The spectators ing been kept a prisoner at Omduoman.
