

PREFACE

In sending out our thirteenth publication we would hope for it as favorable a reception as has been granted to our other issues. The story of St. Mark's and St. Andrew's appears in No. 7, and a short sketch of the Baptist church in No. 12, these are now followed by the history of St. Vincent de Paul's church told clearly and sympathetically by Mrs. Greene. It is hoped that the history of the churches of the town will be made more complete by that of the Methodist church in a later number.

Much valuable material is on hand for future issues and we hope that any who can contribute documents bearing on the family history of the early settlers will do so, thus more light will be thrown on the early history of our country.
