and have found that the Tams are right in the push. Sales continue good. Last week's shipments, five young boar to D. Burt, M.L.A.; pair to E. H. Standing, Burford; boar to J. D. McIntosh, Bridgen. I find the three things essential are, a good pig, a fair price, and an ad. in FARMING.

MESSRS. SILLS SHAWER & SON, of Winchester Springs, Ont., are advertising the best strains of Jersey (A.J.C.C.) cattle and large improved Yorkshire swine in this issue. We bespeak for them the patronage of those of our readers who desire improved stock of their breeds.

MR. E. E. MARTIN, Canning, Ont., is offering choice young Berkshire pigs and Southdown sheep for November. See his advertisement.

SUCCESS OF CANADIAN STOCK.—This is one of the constantly recurring instances which show the success of Canadian-bred stock in competition with the best of other countries. Last spring Mr. James Snell, of the township of Hullett, sold eleven head of Leicester sheep to a gentleman in New York State, who showed them at various American fairs this fall, with the result that they netted him \$2,000 in prize money, taking 274 first, and 54 second, prizes in all. At the end of the season he also disposed of the lot at a good round figure. Mr. Snell is not perhaps so widely known as other stock breeders, but he is one of the oldest as well as one of the most successful among them.

ROYAL STANDARD GOES BACK TO SCOTLAND.—Messrs. Graham Bros., Chatham, Ont., have sold and shipped to Messrs. A. & W. Montgomery, of Scotland, the celebrated Hackney stallion, Royal Standard, winner of more prizes and championships than any other horse ever imported to Canada. Royal Standard, it will be remembered, won the championship over all coach horses, Hackneys, Cleveland, German and French at Chicago last fall, and had his winnings withheld because he was not registered in the American Hackney Stud Book. But he is good enough to be re-registered and was sold for three times the price originally paid for him in Great Britain by the Messrs. Graham. The enterprising firm has purchased the Hackney stallion, Lord Rosebery, sire of the champion carriage horse, Illecher, now carrying all before him at the United States' shows, to take his place. Lord Rosebery is by Lord Derby and of a mare by Denmark.

We notice in all the newspapers of Canada hearty congratulations extended to "THE FAMILY HERALD and WEEKLY STAR," of Montreal, on their very handsome picture this year. The picture, entitled "THE THIN RED LINE," is a stirring battle scene, and is immensely popular. "THE FAMILY HERALD and WEEKLY STAR" we notice is a 24 pages this week. A twenty-four page paper like the "FAMILY HERALD and WEEKLY STAR" and a picture like "THE THIN RED LINE" all for one dollar is marvellous. The equal of it certainly has never been seen before.

CONSUMPTION.

What a Well-known Medical Journal Says About This King of Disease.

"This is essentially an age of scientific progress. Science and invention go hand in hand. Thanks to a distinguished chemist consumption is robbed of its terrors, 'deprived of its destructiveness, and this insidious disease can first be relieved and then cured. But to accomplish a cure that is final and effective there must be constant persistency in treatment and right living. The sufferer must take the right medical relief, rightly administered. By the labor, skill and research of an eminent chemist, 'T. A. Slocum, consumption can be both 'relieved and cured.'—Medical Tribune.

Three free sample bottles of the Slocum Cere will be sent to any sufferer from consumption, lung or throat troubles or general debility, if name, address and express office are sent to The T. A. Slocum Chemical Co., Limited, 179 King street west, Toronto, Ont. This is a genuine offer, and if the reader is—or knows a friend who is—a sufferer, send at once for the free sample and mention FARMING.
