H. M. DOWNS, Publisher, Rutland, Vermont.

People should Read

"Problems of Nature."

It is a thoroughly original scientific publication, and deals with every question of science. The subjects comprehended by Astronomy, Zoology, Chemistry, Biology, Medicine and Geology, are all discussed.

A careful examination of the offices of electricity in every affair of nature is given.

Questions and answers upon any scientific subject will be printed.

This is the most instructive and interesting paper of a scientific character in the country.

Price \$1.50 per year.

.75 6 mos.

Single copies 5 cts.

Foreign subscriptions \$2.00.
