The Markets.

Barley

This week shows barley a little more This week shows barrey a rived miny the firm though still not what might by any stretch of the imagination be called active. The local market has risen somewhat. A sound lot on the Northern has aold at 42c. No. 1 is quoted at 45c. to 46c. at a transfer or the strength of the strength o interior points.

Toronto street market quotes prices at 44c. to 48kc.

44c. to 485c.

Milwaukee says: Quiet, nominal; No. 2, 51,7 8c.; sample, 514c. to 545c.

Oswego reports: Market steady; Canadian quoted at 61c.; sales, 5000 bush. at 61c.; western held at 57c. No. 2 Milwaukee 57c. Stocks in store 225,000 bush. Shimomate for yeak 80,000 hush. bush. Shipments for week 80,000 bush.

Buffalo reports: The visible supply is 3,117,000 bushels, an increase during the past week of 307,000 bushels. At the corresponding date last year only 1,509,-000 bushels were in sight. There is 000 bushels were in sight. There is nearly-four times the quantity in Buffalo now that there was at this time last year. Markets are all reported quiet, without noteworthy sales. Canada barley here is noteworthy sales. Canada nominally at 64c. to 66c.

Stocks in store at Toronto 48,505, against 48,356 last year.

Hops.

Not quite as had as last week, but no Not quite as had as last week, but no great improvement as to the native crop. Canadiana are selling as high as 10c, for good lots. German hops have increased in price consequent upon larger sales which has practically stopped buying. The German crop is abundant. There is no change in U.S. or Pacifics.

The German crop is abundant. There is no change in U.S. or Pacific National Conference on the no doubt, says the Gooder Becarest Gastle, that the This is, indeed, a year of plenty, and it is highly probable that picking abundant. This is, indeed, a year of plenty, and it is highly probable that picking and the property of the company of the company
