ALMA LADIES' COLLEGE.

ST. THOMAS, ONTARIO.

This College has one of the most successful Conservatories of Music on the continent in which thorough instruction is given in Piano, Violin, Organ and other instruments, Harmony, Sight Singing, etc. The chief teachers have been trained in the European Conservatories and follow a strictly classical method. Alma's graduates in many cases have gone direct to high Collegiate appointments. Weekly recitals, choral classes, public concerts and all similar advantages to music students. 90 pp. Illustrated Catalogue free.

B. F. AUSTIN, A. M., B. D., Principal.

**OUR SPECIALTIES.**

Every rod of our fences is made from wire drawn especially for our use, as common soft wire would not hold the coil. There is a SPRING in every foot of fence, instead of one in forty rod. The ties are one foot apart, instead of several feet, as in others.
