AS the season for planting is approaching, the proprietor of the Toronto Nurseries would call attention to the excellent stock which he has to dispose of this spring. It consists largely of the following:—Standard and Dwarf Apples, Pears, Plums, Cherries, Peaches, Hardy and Foreign Grapes, Currants, Gooseberries, Strawberries, Esculent Roots, &c.

In the ornamental department will be found Deciduous and Evergreen Trees, Flowering Shrubs, Roses, Herbaceous Flowering Plants, &c. The demand for Hedge Plants is steadily increasing—that for Buckthorn more especially, which is beyond doubt the best plant grown for fencing purposes. Specimen hedges to be seen at the Nurseries.
