Spring Styles

In White and Regatta Shirts are nearly all in, and naturally are much handsomer than past seasons. The prices, 75c., 90c., \$1.00, \$1.25, \$1.50, while indicating the range, give no insight into the value. You must see them to know the value.

You've probably never taken into your serious consideration that we buy as cheaply as anyone in Canada. Our expenses are lower than any others in the city, and we sell in most cases cheaper than any others.

MACKAY BROS. & CO.

BREAD

Some people are still patrons of third-class bakeries; those low, dingy, poorly kept, poorly ventilated places, where the bread is kneaded by human hands and arms, and under all kinds of questionable circumstances and disadvantages.

But of course the majority are patronizing a first-class establishment with all the latest appliances, like that of

W. J. BOYD'S
