CLEAR BRAINS!

With a Sound Body!

Are Bestowed Upon All Who Use Paine's Celery Compound.

Sweet gentle, spring is with us, pressging leaves, buds and flowers, and, of course, happier-times. Thousands will welcome the balmy air and zephyr breezes, while a multitude, hovering between life and death, are unable to enjoy or even appreciate the blessings of a kind Provid-

ence.

A host of men and women and young people are laid low owing to diseases contracted during the winter season

Impurities of the blood, cause it to flow sluggishly, and the results are, continual headaches, heavy and clouded brains, neuralgia, rheumatism, and a host of other symptoms that endanger life. For all these troubles, Paine's Celery Com-

pound is the great and unfailing cure; it acts like a charm on the nervous system, producing pure blood, a cool and easy head, clear brains and a

sound body.

Paine's Celery Compound is as superior to the ordinary nervines, bitters, sarraparillias and pills as strength is better than weakness. The use of one bottle will soon convince the ailing that Paine's Celery Compound has virtues unknown to any other medicine.

#### HOOD'S IS WONDERFUL.

No less than wonderful are the cures accomplished by Hood's Sarsaparilla, even after other preparations and physicians' prescriptions have failed. The reason, howeyer is simple.
