## LIVE STOCK MARKETS.

TORONTO, July 4.—Among the offerings at the Western Cattle yards this morning were about 650 sheep and lambs, 500 hogs, and some 70 calves. The market altogether was in very bad shape, cables from England were very depressing; Canadian and American steers are quoted in London and Liverpool at 5½d per pound for the best, at such figures there is nothing but loss for Canadian shippers. A depressing influence to day was the announcement that, for the present at least, the embargo on Canadian live Cattle in Britain is not likely to be lifted. The consequence was that prices were off here, and the few deals effected this morning were at from 4½ to 7½c, and nothing above this latter figure was as far as we could ascertain, paid.

In butchers' cattle there was a fair demand for this season of the year, and the best cattle were steady at 4c per pound; in a few cases 4½c was paid to have been paid, but 4c was the outside figure; secondary and inferior sold at from 3 to 3½c per pound, and some very poor stuff sold at a little below 3c. Sheep and lambs were in ample supply, and weak in prices. Sheep were selling at from \$4 to \$5.25 each, and lambs sold freely at from \$3.75 to \$4.25 each.

Calves sold better, if anything like good quality, at from \$5 to \$9 each; more choice veals would have sold, and even the rough and common were easily disposed of.

Hogs were weaker, about the best price paid to-day was \$6.50 per cwt.; stores brought \$6 to \$6.25; and inferior hogs sold at from \$5.75 to \$6.

## EPPS'S COCOA

BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
