ROOTHERHAM HOUSE.

HOLFORD WALKER, M.D.

WILLIAM NATTRESS, M.D.

A Private Hospital for Diseases of the Nervous System (both sexes), Surgical and other diseases of women, Rheumatism, Incipient Phthisis, etc.

The institution comprises three buildings, thus securing perfect quiet when desired.

The flat roof has been converted into a large promenade deck, securing a cool breeze at all times in summer.

The Hospital is situated in the most healthy locality in Toronto, on the height of land, and, being only a few yards from the Yonge and Church Street motors, is within ten minutes to centre of city, station or wharfs.

ELECTRICITY
in its various forms is resorted to in all suitable cases.

Trained Nurses for General Nursing, or Masseuses for Massage, can be obtained on application. Also a * Masseur for the administration of Massage to men.

For Terms, or other information desired, address
HOLFORD WALKER, M.D., Isabella St., TORONTO.
