A Host of Bodily Troubles are engendered by chronic indigestion. These, however, as well as their cause, disappear when the highly accredited invigorant and alterative, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, is the agent employed for their removal. A regular habit of body, and a due secretion and flow of bile, invariably result from its persistent use. It cleanses the system from all irregularities, and restores the weak and broken down constitution to health and strength.

MYSTERIOUS!

The Terrible Undertow that is Sweeping Away so Many - What Well-known Canadians Have to Say.

It is an unquestionable fact that thousands of people are to-day enduring the most intense torture or are afflicted by the most unaccountable symptoms for which they can assign no reason whatever. They have frequent headaches; are strangely languid; have a ravenous appetite one day and none whatever the next, and feel dull pains in various parts of the body, but they imagine it is only a cold or some passing minor disorder. Indeed, few people realize the presence of grave and serious dangers until they are upon them. The following experiences of well-known people in the Province are timely and valuable.

Rev. William J. Henderson, pastor of the Methodist-Episcopal church of Prescott, Ontario, says: "For a number of years and until recently, I had been gradually, but steadily, declining in health. I was subject to severe pains in various parts of my body, shortness of breath, palpitation of the heart, and a distressing, hacking cough. I consulted physicians, one of whom informed me that I had been 'carrying too many pounds of steam.' Another stated that I was on the eve of a general constitutional 'break up;' another pronounced me as being far gone in liver complaint, and feeling that the last one had hit it, I commenced a course of his treatment, without, however, any benefit. Feeling that I was going down hill very fast, I grew somewhat despondent, and finally resigned myself to an early death. At this juncture I resolved to try Warner's Safe Cure, and I may say that I felt almost immediate relief, and now I am nearly as well as I ever was in my whole life. My cough has disappeared entirely and I seldom feel any of my old symptoms. I have always been somewhat disposed to prejudice against proprietary medicines, but I feel it to be an act of justice to make this statement for the good of others."

John Evans, residing at 139 King street, London, says: "For two years I have been troubled with gravel in my kidneys and have suffered untold agony. The passage of the gravel from the kidneys into the bladder threw me into paroxysms of pain and completely broke me down. Upon the recommendation of a friend I began the use of Warner's Safe Cure, which seemed to dissolve the gravel and it passed from me in the form of dust. I recommend Warner's Safe Cure to everybody who is suffering at all as I have suffered."

Mrs. M. Lemoir, residing at 5 1/2 Victoria avenue, Hamilton, says: "For ten years I have suffered from female complaints and liver disease. I have consulted all the prominent doctors in Hamilton, but none were able to cure me. Six months out of every year I was laid up in bed from nervous prostration and debility, and frequently while working about the house I would faint and remain unconscious for more than half an hour. Hearing of Warner's Safe Cure, I began its use and am now in good health. All previous troubles have left me. It has worked wonders in my case, and I can recommend it to all the ladies in the country."

Mr. Chas. M. Syme, foreman in W. H. Smith's saw factory, St. Catharines, said: "Five years ago I began to be afflicted with most distressing troubles which increased in violence until I was compelled to remain in bed. My symptoms were terrible and I kept getting worse and worse all the while. The doctors could not agree as to the nature of my disease and I finally lost all hopes of ever getting well. Learning of some cases similar to my own that had been helped by Warner's Safe Cure, I began its use and commenced to improve from the first day, and I am happy to say that I am now as sound as a dollar and can do a day's work without it hurting me."

Doctor Samuel T. Rodley, of Chatham, says: "I have seen Warner's Safe Cure used very extensively and have heard of the most gratifying results. I am convinced that it is an unequalled medicine for disorders of the kidneys and urinary organs, and I can freely recommend it."

Mc. A. J. McLean, clerk of Crawford House, Windsor, says: "For several years I was afflicted with kidney difficulty and did not know what it was to be free from excruciating pains, which at times were so bad that I could neither stand nor remove my clothes. At that time I was conductor on the Denver and Rio Grande railroad, and no doubt the constant jolting aggravated the

disease. Noticing an advertisement of Warner's Safe Cure I procured the medicine and from the first it acted like magic, and it has completely and permanently cured me. I cannot too highly recommend it, as I know what it has done for me."

The above statements are from men of unquestionable veracity, and such as merit the greatest consideration. No one who is suffering from any form of physical disorder can afford to neglect even the slightest symptoms, which can be so readily controlled if taken in time, and which are so dangerous if permitted to continue.

Not a nail is used in the construction of houses in Japan. They are put together by a method of mortising.

G. A. Dixon, Frankville, Ont., says: "He was cured of chronic bronchitis that troubled him for seventeen years, by the use of Dr. Thomas' Electric Oil."

D. J. Burke, of Shoal River, Jackson county, Fla., is the father of thirty-five boys and four girls. He married five times.

THOUGH THE SICK COVER HEALTH, they frequently and fruitlessly seek to obtain it by irrational means. Misled by false representations and absurd pretensions, they neglect those genuine restoratives which true science has placed at their disposal. No proprietary remedy has met with greater approbation from the medical faculty, and none has given more satisfactory proofs of its efficiency, than Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. The conjunction of these latter salts with Cod Liver Oil of warranted purity, gives the preparation a great advantage over the ordinary cough mixtures, since the phosphorus, lime and soda are potent auxiliaries of the oil, invigorating the system, remedying poverty of the blood induced by waste of tissue, and increasing bodily substance. Price 50 cents and \$1.00 per bottle. Sold by all druggists.

A PROLIFIC SOURCE OF DISEASE.—A trifling indiscretion in diet may lay the foundation of confirmed dyspepsia, and there is no fact in medical science more positively ascertained or more authoritatively asserted than that dyspepsia is the parent of a host of bodily ills, not the least of which is contamination of the blood and the maladies of which that is the direct consequence. Their original cause is, however, thoroughly eradicated from the system by NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE, a medicine which only requires regularity and persistence in its use to cure dyspepsia and the many ills that arise from it. No deleterious mineral ingredient is contained in it, and though its action is thorough in cases of costiveness, it never produces gripping pains in the abdominal region, or weakens the bowels like a violent purgative. It invigorates the system through the medium of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, scrofulous, and all diseases of the blood, female weakness, &c., &c. Price \$1.00. Sample Bottle, 10 cents. Ask for NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a facsimile of their signature. Sold by all medicine dealers.

During its forty years the New York Tribune has had but two editors-in-chief, Horace Greeley and Whitelaw Reid.

Ayer's Hair Vigor improves the beauty of the hair and promotes its growth. It imparts an attractive appearance, a delightful and lasting perfume. While it stimulates the roots, cleanses the scalp, and adds elegance to luxuriance, its effects are enduring; and thus it proves itself to be the best and cheapest article for toilet use.
