Halcyon Day.

How varied the range of association upon the human mind. Memory is ever fond of preserving pictures of events, but the character of such events must be different to meet the peculiarities of the individual. The pleasant recollections of one would fail to find a place in the memory of another, but to our mind the halcyon days are those that follow the use of Putnam's Painless Corn Extractor, the same safe and painless corn cure, for it promptly relieves the misery by removing the aching corns. Try Putnam's Painless Corn Extractor, and see that no substitute is palmed off as genuine.

England has placed her Suez hospital at the disposal of Italy.

If you want knowledge you must toil for it; if you want food you must work for it; if you want pleasure you must earn it,—but if you want nice soft hands you have only to use Estey's Fragrant Philoderm.

The British Government has invested £20,000 as a fund for Gordon's family.

An improvement in Upright Pianos has been introduced by the Mason & Hamlin Company, long famous as organ makers, which is regarded as very important, adding to the beauty of tone of this instrument and rendering it much more durable,—*Boston Journal*.

It is stated in Rome that the convention between England and Italy relative to the Soudan gives Italy equal rights with England in Egypt, and allows her liberty of action.

Do you feel languid and dull, and have no appetite, then your system is out of order and requires a good bracing medicine. Take a few bottles of Estey's Iron and Quinine Tonic.

Memorial services in honour of General Gordon was held in London the week before last.

Worth Knowing.

One bottle of Johnson's Anodyne Linctament will effectually cure bronchitis, inflammatory sore throat, sore lungs, bleeding at the lungs, chronic hoarseness, hacking cough, whooping cough, and lame stomach.

Last year 76,000 people emigrated from Ireland, which is a decrease of 40,000 compared with 1883.

WASHINGTON'S MONUMENT.

If you don't send for it, you will be sorry when it is too late.

The Dublin Citizens' Committee has decided to present an address to the Prince of Wales on his arrival.

How to make Money.

Twenty-five cents worth of Sheridan's Cavalry Condition Powders fed out sparingly to a coop of twenty-five hens will increase the product of eggs 25 per cent. in value in thirty days. For large flocks buy \$1.00 cans.

Comfort for smokers is found in the current number of the *British Medical Journal*, which denies the possibility of smoking having caused the cancer with which General Grant is now afflicted. The *Journal* says that the risk of cancer in the throat, incurred by smokers, is infinitesimal, and it denounces the Anti-tobaccoists for seeking to make capital for their particular "fad" out of the sufferings of a great man.

PUTTNER'S EMULSION!

PUGWASH, N. S., Feb. 10, 1882.

Dear Sirs:—I take this opportunity of congratulating you upon the widespread reputation your justly esteemed Emulsion of Cod Liver Oil has earned for itself throughout this extensive country. As a remedy of general utility in the household, is inestimable, and in cases of over-taxation of mental or physical labour to which the clergy are exposed in the ordinary performance of their parochial work, no one can have an idea of its efficacy before giving it a trial.

Suffering from extreme debility for a length of time, after trying a number of other remedies, I was induced through persuasion of my clerical brethren to try one bottle of your Emulsion. Its controlling power was so surprising that I continued its use as prescribed for a few weeks, and am now enabled to undertake and go through as long journeys with almost as little inconvenience as I experienced when I entered upon ministerial duty thirty-five years ago. Being thus fully convinced that sufferers from exhaustion, brain weakness, or rheumatic attacks will gain speedy relief from the use of your Cod Liver Oil Compound, I feel it a duty to make known to such its remediable effect upon the system.

I am, dear sir, yours respectfully,
B. F. BRINE.

Rector of the United Parishes of St. Andrews, Wallace and St. George, Pugwash, N. S., Cy. Cumberland.
