Mercantile Summary.

The grocery stock of Henry Ferguson, Winnipeg, has been sold by the sheriff.

The steel rails for the St. Andrew's railway arrived last week, and track-laying is being proceeded with.

The assessed valuation of real estate in Coaticook, Que., is \$1,139,250, of which \$276,700 is exempt from taxation.

F. G. KELK, tailor, Hamilton, although in business four years, has seemingly made no progress, and at length an assignment has been found necessary.

The liabilities of C. W. Brownell, dry goods dealer, Cornwall, whose troubles we noted lately, are \$13,334, assets approximately estimated at \$12,000. He has made an assignment to B. F. Steben.

At a meeting of the creditors of the Brantford Furniture Co., held last week, an offer was made by the company, which was accepted. The Caelph Herald understands that the factory resumed operations on Monday last.

There is to be no autumn exhibition in Hamilton this year. The Crystal Palace in that city has been pulled down. The North Wentworth fair is to be held at Dundas, and the South Wentworth fair probably at Stony Creek.

It appears that the Bank of British North America is having plans prepared for a banking house which it proposes to occupy on the corner of Richards and Hastings streets in Vancouver. The bank owns, according to the World, a lot on that corner, 52 feet on Hastings and 120 feet on the other street, and will have a handsome new building erected thereon during the coming winter, part of which it will occupy and part rent.
