DAIRY PRODUCTS. - There is very little acmarket about maintains its prices, finest On-tarios Labout maintains its prices, finest Onmarket about maintains its prices, finest On-tarios being 8§ to 8§c.; Eastern Townships, 8 to 8½c.: Quebec, 7¼ to 7½c. per lb. The butter market is far from active, choice creamery, 171 to 18c.; fine dairy, 15 to 16c.; under grades, 124 to 14c. per lb. Selected boiling eggs bring 17 to 18c.; No. 1, candled, 13 to 14c.; No. 2 ditto, 11 to 12c. per dozen.

DRY GOODS.—What with stock-taking and the preparations for holiday trade, which is expected to be rather brisker and more varied than usual the unbeloade dry goods wareexpected to be rather brisker and more varied than usual, the wholesale dry goods ware-houses have not been by any means so dull as might have been expected after the close of navigation. Values of textiles are maintained, and in some descriptions of woolens there is activity and a good feeling. Remittances are gratifyingly brisk.

GROCERIES.-GROCERIES.—There is nothing to be added to our report of last week in this line except that firmness prevails in sugar and molasses. Dried fruits hold their own and nuts are regarded good stock. In contrast goods too there is a -There is nothing to be added to good stock. In canned goods too there is a generally firm feeling. Teas are quiet. Dealers speak very cheerily of the condition of country trade, as cheering in latters from travellers and trade, as shown in letters from travellers and from customers, and money comes in well as a rule. rale. Holiday trade promises to be brisk.

HIDES AND SKINS.—Continued firmness is evident in hides, and an advance is confidently

Present price for green is 81/2c. for looked for. No. 1, and tanners have to pay $9\frac{1}{2}c$. for cured. Lambskins are quoted at 85 to 90c.

LEATHER.-While black leathers are quiet and firm, there is continued movement in colored leathers and dongolas; sole leather is steady. There are no special features, except that hides are still reported scarce and with an upward tend-ency. We quote:—Spanish sole B.A. No. 1, 24 to 25c.; do.
