

Remember

that in looking up a place to put your money, you should always keep in mind, **not only the rate of interest** you are to receive, but the solidity of the securities back of the investment, and that the safety of the principal is more important than the interest rate in making the investment. The Permanent Stock of the STANDARD LOAN COMPANY combines both security and profits, and certainly is an Ideal Investment.

Shares \$100 each; the issue is limited. Write for particulars.
