J. BRUCE
118 King St. West
ART PHOTOGRAPHER.
Guarantees the finest and most artistic work
that can be produced, and allows a liberal dis-
count to Professors and Students connected
with Toronto University and other colleges.

A USELESS UNDERTAKING.
"Frances," said Grover the other even-
ing, "a well-known artist has just sent
word to me that he wishes to make a
model of me."
"Indeed!"
"Yes, indeed; what do you think
about it?"
"Well, for my part, I don't think it
will do much good. He might give you
Turkish baths and work some of the
flesh off of you in a gymnasium, but as
for making an Adonis or an Apollo Bel-
vedere of you, I don't think you need ever
hope for it. You weren't cut out on the
pattern of a model, Grover."
And the President only sighed.—
Christian Observer.

HE DIDN'T WAIT FOR CHRISTMAS.
Mr. Montgomery has been going wrong
of late. He has got into the habit of
staying out very late at night.
"Fergy, dear," began his wife when
he came home to dinner the other even-
ing, "Christmas will soon be here."
"Remarkable," ejaculated Ferguson.
"Do you know what I want?" she
continued, without heeding the scornful
remark.
"The earth, with a shawl strap to
carry it, probably."
"No, Fergy, all I want is one of those
beautiful little watches."
"A watch! What in thunder do you
want a watch for?"
"So that I won't become angry with
you, Fergy," said Mrs. Montgomery as
she wound her arms tenderly about his
neck. "Every night for a week I have
heard the clock strike two before you
came home. I know the clock can't be
right, and I want the gong removed. If
I have a watch we won't need the gong."
Mr. Montgomery did not wait for
Christmas. He bought the watch next
day.—*Minneapolis Journal.*

UNIVERSITY ATHLETICS
The authorities of the University intend
giving a building suitable for the purposes of
athletic exercises, and no doubt it will be
extensively patronized by the students. At
the same time Trowern, the town jeweller, is
preparing a new book of designs of medals
for the same purposes. He has also every-
thing in the jewellery line that a first-class
manufacturing house requires.
