

As Others See Us.

"It is surprising the number of Col. Love men who pay their way through school on the sale of their own efforts. The number of Kildara V.I. men who get in all the probable ways and means. The other various schools larger than the straight superior lines but their management is not so good. They are sold in large quantities for their great popularity among the student body."

Shredded
Wheat
Biscuits

has the endorsement of all thinking men. G. W. Wright, Professor of Physics and Chemistry, Mcadville High School, Mcadville I. n., gives the following endorsement: "We have been users of your Shredded Wheat Biscuits for some time and are greatly pleased with its many estimable qualities; it has an undeniably great food value, it possesses those valuing qualities that are so often lacking in the popular cereal foods."
