The more people are educated the more they appreciate and value pictures of current events—for they contribute delightfully at a glance to a still further education.

\* \* \*

The less people are educated the more they appreciate and value pictures because they tell them at a glance of interests of which they cannot or perhaps will not read. That is why they please and instruct the children.

\* \* \*

Everybody likes pictures and no home should be without its picture paper. The cheapest and best is the "Canadian Pictorial." It contains about a thousand inches of pictures and costs about a thousand dollars each issue.

Only ten cents a copy.  
One dollar a year.
