To the Younger Generation

LIFE INSURANCE should appeal with peculiar force—for the reason that a Life Policy is the only investment in which the young have a decided advantage over their elders. Not only in the considerably lower cost—but in the greater immunity from ill health and other causes that prevent insurance—there is a strong argument for arranging this urgent matter of protection early in life.

The Great-West Life issues policies specially attractive to young persons. Premiums may be paid annually or otherwise to suit the applicant.

Rates on request.
