

Efficiency Desk

The "Office Specialty" Efficiency Desk is a valuable assistant to Executives. Convenient file drawers are built in the Desk in which correspondence, reports, and card records can be kept filed in order and always at hand. In reality this is a desk and a filing cabinet combined, at the price of a good desk only.

OFFICE SPECIALTY

RECORD SAFE

Protection for records right where they stand in the office is a feature that appeals to a great many business men. An "Office Specialty" Record Safe can be fitted with Standard Filing Sections of Wood or Steel, or fitted with adjustable shelves to suit your business records. "Office Specialty" make a large line of Steel Sections suitable for the filing of all kinds of business records.

MAMMOTH VERTICAL FILE

The "Office Specialty" Mammoth Vertical File has never been equalled for the systematic care of blueprints, drawings, maps, etc.

Architects, Engineers and Municipal Offices all should have a MAMMOTH VERTICAL FILE.
