Excellency,

I have the honour to refer to the Agreement between the Government of Canada and the Government of the Republic of Korea for Cooperation in the Development and Application of Atomic Energy for Peaceful Purposes signed at Seoul on January 26, 1976 (hereinafter referred to as "the Agreement").

1. With regard to Article III.2 (a) of the Agreement providing that "equipment, material, nuclear material and facilities referred to in paragraph 1 of Article V shall not be transferred beyond the jurisdiction of the Party within whose territory such an item is located without the prior written consent of the other Party", I have the honour to propose the following:

- (a) In the case of natural uranium, depleted uranium, other source material, uranium enriched to 20% or less in the isotope U-235 and heavy water, Canada hereby provides its consent to the future transfer of such items by the Republic of Korea beyond its territorial jurisdiction to third parties provided that:
 - (i) such third parties have been identified as acceptable by Canada in writing from time to time;
 - (ii) the Republic of Korea, for each such transfer, inform the third party that the nuclear material and material transferred is subject to the Agreement; and
 - (iii) administrative procedures acceptable to both Parties relating to such transfers have been established by the appropriate governmental authorities.
