---

All Agricultural or Horticultural products must be the growth of the present year. Manufactured articles, or works of Art, which have been awarded prizes at any previous Provincial Exhibition, shall not be entered in competition for the prizes named in the prize list for this year, but shall be awarded diplomas, if, in the opinion of the Judges, such articles are superior to any others exhibited and are deemed worthy of the same.

On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the section, the number of the entry and the name of the exhibitor, which card must remain attached to such animal or article during the Exhibition.

### Transport of Articles, Placing them on Exhibition, and Charge of them while there.

All specimens in the Fine Arts Class must be delivered on the ground *not later than Friday*, the 11th of September, and all articles other than live stock, *not later than Monday*, the 21st of September. Live Stock must all be on the ground *not later than Tuesday*, 22nd, at noon. Articles or animals arriving after these hours will not be allowed to compete. Exhibitors of machinery and other heavy articles are requested to have them on the grounds, as far as possible, during the week preceding the Show.

Articles not accompanied by their owners may be addressed to the care of the Superintendent of the Exhibition, who will receive them on their being delivered at the Grounds; but in no case will such articles be brought on the Grounds and placed on exhibition, except by and at the expense of the owners or their authorized agents.

Exhibitors, on arriving with their articles, will apply to the Superintendent of the Grounds, who will be stationed within the entry gate, and will inform them where the articles are to be placed.

No articles or stock exhibited will be allowed to be removed from the grounds till the close of the Exhibition, on Friday afternoon, at two o'clock.

Should any article be accidentally injured, lost, or stolen, the Directors will give all the assistance in their power towards the recovery of the same, but **WILL NOT MAKE ANY PAYMENTS** for the value thereof.

### Steamboats, Railroads, Customs.

The Association will make such favorable arrangements as are found practicable with Steamboat and Railroad proprietors for carrying articles and passengers at reduced rates.

Arrangements will be made with the Customs Department for the free entry of articles from foreign countries for competition.

### Admission to the Grounds.

Each member, on paying his subscription, will be furnished with four small admission tickets, each of which will admit the holder once, and must be given up at the gate on passing into the Grounds.
