### CAN GERMANY BE FORGIVEN?

"Can Germany be forgiven?" was the subject of an eloquent sermon delivered by Rev. R. J. D. Simpson, pastor of Danforth Methodist Church, Danforth avenue, at the evening service yesterday. The preacher pointed out that the question was of a two-fold character, and based upon the eternal principle: "Can we forgive Germany and can Germany hope to be forgiven by God? If they will make the necessary restitution for all the wrong they have done, we are in duty bound to forgive." At the present time, the Germans by their atrocities and cruelties are showing no signs of repentance," said the preacher. In the morning Rev. R. J. D. Simpson preached on "The Largest Labor Union," at the Church, the universal brotherhood of all men in co-operation with God.

## Riverdale NORTH RIVERDALE GARDEN PRODUCTS

### Second Annual Flower and Vegetable Show Well Attended Saturday.

The second annual flower and vegetable show under the auspices of the North Riverdale Horticultural Society was held in the Riverdale Presbyterian Schoolhouse, corner of Pape and Harcourt avenues, on Saturday last. The proceedings were opened by Hon. Geo. Henry, minister of agriculture, who complimented the officials and members on the splendid display of choice garden products since the inauguration of the society, two years ago, and the resultant financial benefit from their efforts, which means true economy. "I trust your good work will not stop after the show," said the minister, "because it is hard to estimate the real value in the production of plants, and the work of the organization can do untold good to the community," said Hon. Mr. Henry, be given by the department of agriculture for their greater success in the future.

Controller Robbins, hon. president, said that very few lots in the east were allowed to run to waste, and the interest taken by the society in cultivating their own ground and other vacant lots was in a great measure the incentive for a number of other residents of the eastern district to produce flowers and vegetables.

Other speakers were A. J. Smith, vice-president, and one of the founders of the society, who pointed out that, from a membership of five, the organization had grown to its present flourishing condition. C. Honeyman, past president, and winner of last year's silver cup, spoke on the growth of vegetables.
