LIVE STOCK MARKET

With a run of 1025 cattle at the market yesterday, trading on all classes held steady to strong at practically unchanged prices. The very heavy cattle are slow of sale and apparently not wanted, tho odd ones are taken up by the local plants at good prices.

Handy-weight butchers are selling steady, and short-keep feeders fairly so. Few farmers are on the market these days, but some rare good loads have lately gone out to grass at strong prices. The highest-priced load, selling at \$15 Tuesday, went east on the grass for a while. The milk and springer trade is quiet.

With a run of over 1000 calves, the market opened steady, but around noon fell away about 50c per cwt. There was a light run of sheep and lambs, and trade held steady.

With 2150 hogs on sale, the market was 50c up over Tuesday's prices, and steady with the close of last week. We quote 2 1/2c lb. fed and watered, 20 1/2c lb. f.o.b., with 7c off stags and 4c off sows.
