British Cattle Diseased.

London, Dec. 14.—(C.A.P.)—An influential meeting of the association for the free importation of Canadian cattle unanimously decided to send a deputation to the premier with the object of getting him and the cabinet to redeem their pledges. The speakers dwelt on the necessity of infusing new blood into British cattle and getting cheap meat for the people. Baille Henderson of Glasgow and others stated at least 50 per cent. of the milking cows here had tuberculosis. British Cattle Diseased. E. R. C. CLARKSON

NO EFFORT TO SAVE HIM. Man Pulled Out of Niagara River is

Niagara Falls, Dec. 14.—Shortly be-fore 6 o'clock last-night, Charles Wads, worth of Queenston was pulled out of the river in front of the dock at Lewiston. His rescuers saw him struggling in the water, holding fast to a valise, and this was landed with him. Wadsworth was laid out on the dock. Those about believed him to be dead, and sent for Coroner Walker.

Dr. Eames view the body at 7 o'clock, and he found, even at that hour, rigor mortis had not set in. This convinced him that Wadsworth was not dead when pulled out of the river, but that his life might have been saved by prompt medical attendance.

Coroner Walker laid the valise aside to drain, and while his back was turned, somebody stole it. the river in front of the dock at Lew-

to drain, and while his back was turned, somebody stole it.

As Wadsworth was seen about the Hotel Cornell at 5 o'clock, and his watch had stopped at 5.35 o'clock, there is a suspicion that somebody, who was trying to secure the valise threw him into the river. Wadsworth was 65 years old, and a member of the Victoria Park police force at Queenston. Coroner Walker will make a full investigation.
