Board of Education Refers Proposal Back to Committee on Legislation.

posal, was the only member to oppose the Meritannia Company, and H. S. Clements, West Kent; W. B. Norts reference back. He said he would day at Martha's Vineyard, Mass.

Company, and H. S. Clements, West Kent; W. B. Norts reference back. He said he would day at Martha's Vineyard, Mass. take full responsibility: that he was prepared to defend it against the opdongola, chocolate and white canvas seems Superfluous by Helps would save the city thousands of dol-

Dr. Hawke supported the resolution appoint a supervising principal, and said in doing so he was voicing the opinions of several other members of the board.

Trustee Levee opposed this and recommended that it be referred back to the legislation committee. He said the only reason Dr. Hawke could give for supporting the resolution was because some members of the board were foolish enough to support it at a previous meeting. He declared that if a supervising principal was appointed he would oversee the high schools and collegiate institutes, that another superintendent would oversee the public schools, and that these two master minds would be continually at war.

Dr. Hunter also proposed that a superintendent be appointed to over-Trustee Brown opposed this, and said it would merely be saddling the city with another official, where the city will have to stand four-fifths of the see the whole school system of Toronto. will have to stand four-fifths of the expense and the government only one-

It was finally agreed that the resolution should go back. following changes were agreed Miss Lillian Scott of Manning-ave-School resigned; Cephas Guillet, teacher technical high school, resigned; appointed assistants on the high school staff, and will be assigned to classes in

were too high. Big Day For Muskoka People.

Next Saturday will be a red-letter for lovely Muskoka, when the first C.P.R. passenge rtrain pulls out of the Union Station for the new laker bound run. All aboard for Bala, only three and a half hours to the very centre of Muskoka! That visitors will appreciate the new service goes without saying, for it brings Bala and the western lake points hours hearer Toronto than ever before, while affording a service to the Royal Muskoka and Joseph and Rosseau resorts second to none. Then the roadbed is od, surprisingly smooth-running for equipment-parlor, dining, sleeping cars and day coaches-is in every detail up to Canadian Pacific stana dard. ed

Mayor Differs With Some Views of W.C.T.U. - Another Street Railway Accidenta

HAMILTON, June 20 .- (Special.) -A meeting of the board of works and finance committees this evening, the city solicitor was instructed to report every accident on the street railway. to the Ontario railway and municipal board. It was stated that accidents were almost daily occurrences. The city solicitor has prepared amendments to the street days of the street d to the street railway bylaw, and an immediate application to the railway board will be made. They call for double the number of cars the company is now running at busy hours,

and also for new cars. The Brotherhood of Locomotive Engineers and Firemen were voted \$200 or their convention here next August. The sum of \$5000 was voted for paying East King-street.
Mayor Stewart told the aldermen he

company despatched several dootors to the scene, but all the passengers escaped with a shaking up. the scene, but all the passengers estable to the control of Robert and Catharine-streets this evening, was knocked down and run over by two men who were horse-racing.

Control of Control of Control of Control of Robert and Catharine-streets this evening, was knocked down and run over by two men who were horse-racing.

Control of Control of

In the chair and M. L. Edith Turnbull reported six branches in the two counties and a membership of 289. Ars. Wolfkill reported receipts of \$541 and a surplus of \$115. Mayor Stewart said he was in favor of a good many objects of the W. C. T. U., but deprecated the continual agitation before the license commissioners for a reduction of licenses, because the time was not ripe. They should confine themselves to a campaign of education and moral suasion. Mrs. Rutherford, Toronto, Dominion president, also spoke.

USE OF THE METAL CAP. of Projectile.

The function of the soft metal cap on armor-piercing projectiles has been heretofore ascribed to the melting of the soft metal at the instant of impact, thus lubricating the way for the passage of the harder metal. A German scientist, who has given the matter some attention, now explains such a brand new track, and the train that by the presence of the yielding maes the point of the projectile pro-per is saved from deformation at the instant of impact, and, acting as a cushion, distributes the pressure over fairly large cross-section, instead f allowing it to concentrate on the of allowing it to concentrate on the point, which would otherwise frac-ture. The real point of the projec-tile is thus preserved in its proper shape to cut its way thru the tar-
