Davenport of the Larchmont Club fourth.

The conditions of the match were 100 birds, 30 yards rise and 70 yards boundary; the winner, in addition to the title, to take the $250 cup given by the Larchmont Club, and 45 per cent. of the entrance money; the second man 25 per cent.; the third, 15 per cent., and fourth five per cent.

Murphy and Macalester agreed to divide first and second money, $630 and $350, and to shoot 10 birds for the championship cup. J. K. Palmer, third, took $210, share of the stake. Wright, and Davenport were tied for fourth.

Murphy won the shoot-off and the cup by killing 10 straight. Macales missed his fifth bird, an incoming circler, Davenport, Work and Wright then shot off the tie for fourth money. Work and Wright missed their first birds. Davenport killed ten straight and won the $70 fourth prize.

An outcome of the present shoot is a team race between G. Work and J. K. Palmer on one side and Edgar G. Murphy and Yale Dolan on the other, 100 birds each man. The match will be decided at the Westminster Kennel Club grounds on Wednesday, January 22.

ROUGH HOCKEY BY BANK SEVENS

Commerce Defeats Imperial in a Championship Game by Eighteen Goals to Five.

At the Granite rink Saturday afternoon in the senior bank series the Commerce seven met and defeated the Imperials by 18 points to 5. The game as usual was late in starting, but when it did start it was in earnest; for it was one of the roughest ever played in Toronto, and was a good exhibition of shinny rather than hockey, and as an old Granite player remarked, it reminded him of the game he used to play in the parks in his school days. The referee neglected his duty in calling down offside play, and went so far as to allow the players to stop Mr. Puck with their hands. And after allowing considerable cross-checking on the part of both teams he unjustly sent Darrel to the boards for a rest of five minutes when others should have gone with him. With a good goal keeper the Imperials might have changed the result, but after the first game was scored it proved to be a cinch for Commerce, as every shot they made hit the mark. The loss of Charlie Love, the goalkeeper of the Imperial team of last year, was greatly felt, they having to take Langtry off the forward line to fill his place. McMaster, the goalkeeper for Commerce, played a star game, stopping shot after shot, and cleared his goal in good style, allowing Mr. Puck to pass him only five times. While the Imperials are stronger in the forward line, the Commerce outclass them in the defence, although neither team is yet up to championship form. The teams:

Imperial (5): Goal, Langtry; point, Paterson; cover, Darrel; forwards, Cosby (capt.), Cavanagh, Whitely, Francis.

Commerce (18): Goal, McMaster; point, Hilburn; cover, Elwood; forwards, Hedley (capt.), Gordon, Moss, Macdonnell.

For Commerce Macdonnell, McMaster and Moss played the best game, and Cosby, Paterson and Whitely for Imperial. The games were scored as follows:

First half: 1, Imperial, 1 min., Cosby; 2, Commerce, 2 mins., Moss; 3, Commerce, 1 min., Macdonnell; 4, Commerce, 2 mins., Macdonnell; 5, Commerce, 2 mins., Moss; 6, Commerce, 1 min., Macdonnell; 7, Commerce, 2 mins., Macdonnell; 8, Commerce, 1 min., Gordon; 9, Imperial, 2 mins., Cosby; 10, Imperial, 4 mins., Francis; 11, Imperial, 5 mins., Francis.

Second half: 12, Imperial, ½ min., Darrel; 13, Commerce, 3 mins., Macdonnell; 14, Commerce, 1½ mins., Macdonnell; 15, Commerce, 2 mins., Moss; 16, Commerce, 3 mins., Gordon; 17, Commerce, 5 mins., Macdonnell; 18, Commerce, 1 min., Macdonnell; 19, Commerce, 3 mins., Macdonnell; 20, Commerce, 2 mins., Macdonnell; 21, Commerce, 3 mins., Moss; 22, Commerce, 5 mins., Gordon; 23, Commerce, 1 min., Macdonnell.

Listowel Beat London

Listowel, Jan. 11.—The second game of the junior series in group four was played here last night between the London Hockey Club and the home team. The Listowel boys won by five goals to one. The game was very fast from start to finish and a great deal of hard checking was indulged in by both sides. The game play was very even and the score at half time was one goal each. In the second half Listowel had things much their own way and added four more goals. The teams were:

London—Goal, Tarrent; point, Southam; cover point, Reid; forwards, Beecher, McBeth, Bettz and Glover.

Listowel—Goal, Fraser; point, Hacking; cover point, Climie Fort; forwards, Hay, Orr, Meyers and Thompson.

Hamilton Hockeyists Defeated.

St. Catharines, Ont., Jan. 12.—The hockey match between the Victoria of Hamilton and St. Catharines yesterday resulted in a stubbornly contested game from first to last, the score in the first half being 3 all, and in the second only one game was scored and that by St. Catharines.

Paris Beat Brantford.

Paris, Ont., Jan. 11.—The first hockey match of the season was played here last evening between the Paris and Brantford clubs. The game resulted in favor of Paris by six games to one.

Ice Chips.

J. McMurrich, the new manager of the Osgoode-T.A.C. Hockey Club, has also been elected captain of that flourishing organization.

Play for the Sleeman Trophy begins in Guelph Jan. 21. Entries to be made up to noon Jan. 15. The Guelph Tankard will also be played for at the same time.

Judging from the play of the four teams in the senior Bank series, the Bank of Toronto should be the winners, as they shoot better and play superior hockey all through.

It is likely that the hockey teams of Western New York will form an association shortly. The promoters of the scheme intend to call a meeting of the various clubs for next week.

In the junior series of the O.H.A. the Granite play the Victoria II. team at the Victoria rink Tuesday night at 8 o'clock.

The T.A.C.-Osgoode combination will meet Varsity in the senior series at the Victoria rink Thursday night at 8 o'clock.

Toronto Athletic Club.

A large dance will be held at the Toronto Athletic Club on Tuesday, January 21 instead of Friday, 24, as previously intended. Several influential ladies have promised to act as patronesses, and the dance is certain to be a great success. All the arrangements are in the hands of the Ladies' Committee of the club, and everything will be done to make it one of the most popular dances of the season. On Wednesday, Jan. 15 another social night will be held. D'Alesandro's mandolin orchestra will be in attendance, and it is hoped that members will be on hand in force, as these "club nights" should be a popular feature during the winter season.

With the Local Marksmen.

The program of shooting events at the Woodbine on Saturday afternoon comprised a pigeon, two sparrow and several blue rock matches. Several good scores were made, notably one by Mr. Fairburn of Manitoba who, by the way, is over 50 years of age. The first run was 24 out of 25 birds, his cartridge missing fire on the last bird. «He then shot 18 out of 20 blue rocks from five traps. Following are the scores:

Match 1, 15 pigeons, 30 yards rise: C. Coulter 13, H. George 12, W. Lewis 11, S. Fairburn 11.

Match 2, 6 sparrows—Fairburn 6, Morecroft 5, Coulter 5, McDuff 5, Galley 5, Roberts 4, Lewis 4, Dr. H. 4.

Match 3, : Fairburn 6, Galley 6, Roberts 5, McDuff 5, Morecroft 4, Coulter 3.

A number of blue rock matches were then shot, after which Dr. Huntley gave an exhibition of rapid firing with the Burgess repeater. The doctor is very fast, frequently breaking four blue rocks thrown in the air at once, and three sparrows released simultaneously very seldom escape his deadly aim.

The Hamilton tournament has been the leading topic amongst trap shots for some time past. It opens to-morrow morning and continues for three days. One thousand dollars in cash and prizes is offered for pigeons and blue rocks. A handsome team prize is given. Toronto will respond to the number of 15 to 20 guns. The Stanleys will be to the front with two teams, and hope to have the pleasure of meeting their old foemen, the sharpshooters of the St. Hubert's Gun Club of Ottawa (champions of Canada), and also many other sister clubs nearer home. The shoot is purely Canadian, no American experts being allowed to participate.

There will be an open blue rock shoot at the Woodbine to-morrow afternoon at 3 o'clock, when the first team of the Stanley Gun Club will hold their final practice shoot before leaving for the Ambitious City.

A Team Event

Messrs. W. Hulme and B. Buchanan met Messrs. A. Hulme and J. Avann at the traps on Saturday, the former winning by 2 birds. The score:

W. Hulme	24	A. Hulme	23
B. Buchanan	24	John Avann	23

Uncle Sam's Big Rowing Races to Take Place at Saratoga in August.

New York, Jan. 11.—The National Association of Amateur Oarsmen held their regular executive meeting at the Marlborough Hotel to-night. The following members of the committee were in attendance: Charles Catlin of Chicago, president; J. D. Maher, New York, vice-president; W. C. Jupp, Detroit; H. W. Garfield, Albany; C. Berens and G. W. Statzell, Philadelphia; J. R. Doyle and W. Stimson, Boston; C. P. Schmidt, Washington; J. Pilkington, New York, and Secretary Fred Fortmyer. Mr. Catlin occupied the chair. In addition to the members a large number of prominent rowing men were present at the meeting.

The report of the Special Committee on the fouling of the Palisade Boat Club of Yonkers by the Montrose Boat Club of Philadelphia at the Washington regatta on August 24 of last year was read and accepted. The report stated that the Quakers were justly disqualified, as the foul could have been avoided had their coxswain been more careful.

The most important business before the meeting was the selection of a course for the National regatta for 1896. Saratoga was selected as the place, and the date was fixed for the first week in August.

The program for the coming regatta will be as follows: Intermediate and senior single sculls, pair-oared shells, intermediate and senior double sculls, intermediate and senior four-oared shells, intermediate and senior eight-oared shells, and international four-oared shell race straightaway.

An offer was received by the secretary from a prominent resident of Saratoga donating a cup to be known as the "Saratoga Cup," to be awarded to any race at the option of the committee. A resolution accepting the same was passed.

J. Tierney of Worcester, Mass., was reinstated an amateur oarsman. A number of other applications for reinstatement were referred to a Special Committee for investigation.

THIRTY-TWO RINKS REMAIN

PRELIMINARY ROUND FOR THE CITY CHAMPIONSHIP.

Keen Curling Contests in the Five City Rinks—Majorities Range from 1 to 25—Interesting Records of the Clubs—Drawing for the Round this Week—Curling Notes.

Play for the single rink curling championship of Toronto opened promptly on scheduled time Saturday afternoon, and all the draws except one were brought to a result. The ice was keen and good in the five rinks, and 23 rinks that had reasonable hopes of capturing the cup are now among the slain.

The majorities ranged all the way from 1 to 25, close contests being of the general order.

The Granites head the list in matches won, taking 8 of the 18 played, while the Toronto won 7 and lost 5. Parkdale and Prospect Park each won 4 and lost 2, while the Caledonians were saved from a whitewash by the Rennie rink, which made the record of the day, defeating Rogers of Prospect Park by 25 shots. R. W. Spence's Granite men were not on the Caledonian ice, and properly defaulted to J. P. Clemes of Parkdale. However, the latter agreed to play off to-day at Parkdale, and as the chances of victory seem to be against the Granite four, a win for Clemes is given in the table below. All the scores:

Caledonian Skips for Trophy Matches.

At a meeting of Caledonian curlers Saturday night R. Rennie and W. Ross were elected Tankard skips. Other skips were chosen: Reid cup, D. Prentice, J. Carruthers, D. S. Keith, W. D. McIntosh; Davies Trophy, R. Rennie, W. Ross, W. D. McIntosh.

The annual match betwen President Ross and Vice-President J. Rennie will be played to-morrow afternoon, and the points medal competition on Thursday.

Fits of coughing are often caused by microbes attached to the mucous membranes of the respiratory organs. Dr. Laviolette's Syrup of Turpentine stops this at once for it is the best microbicide known.

FRANKIE'S GREAT SPORT.

How Miss Nelson Won the International Bicycle Contest at New York.

New York, Jan. 11.—The international ladies' six days bicycle contest for the championship of the world, which began last Monday night, was concluded this evening at the Madison Square Garden. Twenty young women started on their long pedaling journey for gold and glory and of this number 14 remained to cross the finishing line. New Yorkers did not take very kindly to the spirit of the contest and there were small crowds in attendance daily. Despite this dampening influence there was plenty of excellent racing and some record smashing. For the past two days Frankie Nelson of Brooklyn and the present woman champion, and Helen Baldwin, the 10-mile American champion of California, have been riding neck and neck. It was the prospect of seeing a dashing finish between these two for the championship that attracted a big throng to-night. Great enthusiasm was manifested and the different riders as they spurted around the path were encouraged along with frequent cheers.

Prizes were awarded to the successful competitors, the winner receiving a diamond badge and $250, second a diamond medal and $100, and third a gold medal and $75.

The management offered a special prize of $100 to the rider beating the 24-hour world's record held by Miss Horwood of England
