

I want every chronic rhemmatic to throw away all medicines, all liniments, all plasters, and give MUNYON'S &X RHEUMATISM CURE a trial. No matter what your doctor may say, no matter how prejudiced you may be against all advertised remedies, go at once to your druggist and get a bottle of the 3X RHEUMATISM CURE. There are 160 doses in a bottle, and as one lady says, "Every tablet is worth more than a diamond of the same size." A few doses will take away all aches and pains, and a cure generally follows before one bottle is used.
