TIRES! TIRES! We are offering the greatest bargains on new standard guaranteed tires or tubes. Our prices are less than secondgrade tires can be purchased for, and are 20 per cent less

than prevailing wholesale dealers' prices. Our reason: We had more than 900 tires purchased last fall, before the advance in prices, for delivery during March, April, May, June, but due to the labor situation, which all tire manufacturers have been up against, the shipments have been delayed and the tires have reached us much later than expected.
