PLAYS, PICTURES AND MUSIC

THE ROBINS PLAYERS.

With the thought of pleasing the public and giving the best that can be secured in theatricals, the Robins Players will next week present Miss Florence Roberts, supported by the entire cast of the Robins Players, in the first of the new plays to be presented in Toronto this summer, "The Claim." There are no Mexican villains nor are there any gun idyls; the claim is not a mine, nor a ranch, but a baby that has been abandoned by its mother, who feels that her mode of life is not the proper element in which to rear a child.

"THE CRISIS" IN PICTURE.

When "The Crisis," the latest big motion picture drama, is presented at the Grand Opera House, Canadian, both civilians and soldiers, can sit together for the first time in local stage history and see each side of the dispute between the north and south fairly, impartially and sympathetically presented, each in all its strength and weakness. Winston Churchill, in writing "The Crisis," took a large-minded view of the events leading up to and culminating in the bloody struggle of '61-65, and wove his observations into a story of tremendous dramatic power.

ALL-STAR SHOW.

A big all-star show will be presented at Low's next week with some of the finest and most interesting acts in vaudeville. One of the head-liners will be Jessie Hayward and Company in a clean little chapter from life, entitled "The Quarter." Charles Nevins and Ada Gordon have a clever skit, a combination of fun, songs and dances. The Fraternity Four, one of the best singing quartets in vaudeville, present the latest song hits from New York. Other features of the bill will include Ray Lawrence, bits of musical comedy, Evelyn Dolly, in feats of strength and agility; Dotson, wonderful comedy dancer; Charles and Ada Glick, Theda Bara, in her latest superb production, "The Darling of Paris."

STAR THEATRE.

Good singing and clever dancing by a chorus of twenty features the Merry Burlesques organization, which will hold the boards all next week at the Star Theatre. Caroline Warner, Bonnie Crandall and Bobe Palmer will provide the numerous song numbers, while first-class specialty turns will be given by the three Pecks. Lou White and James X. Francis are the chief funmakers. The costumes and scenic effects are the latest.

AT THE STRAND.

Large crowds may be expected to visit the Strand Theatre today to see the exclusive motion pictures of Toronto's welcome to the Right Hon. A. J. Balfour, which the Strand with remarkable enterprise has secured. For the week of next week the feature at the Strand will be Hall Caine's "The Decemvir." The production is an elaborate and massive nine-act photodrama. It is a worthy and convincing dramatic and pictorial version of one of fiction's greatest stories.

MRS. F. S. MEARNS
Hon. president, Housewives' League, and one of the judges in The Toronto World's bread-making contest.

Following "The Secret Kingdom" serial are reminded next week's episode is the final one, bringing to a complete and satisfying finish one of the most popular serials shown in this city.

AT THE HIPPODROME.

For next week the Hippodrome management headlines the bill at the popular Teraskey street vaudeville house with "Miss Matched," a merry musical comedy in miniature, featuring nine clever boys and girls, in new songs, smart dances and wholesome comedy. Charles Hay will be featured in the new baseball release, "The Pinch Hitter," a new Triangle success. Wanda, the seal with a human brain; the De Luxe Trio, in new and classical dances; Celia Dunham, singing and dancing comedienne; R. J. Moore, "The Gabby Trickster"; Conroy and O'Donnell, in "The Parol Man"; and Keystone film comedies complete the bill.

THE SHOW AT SCARBORO.

Russ, Lavan and Sully, the comedy acrobats, who are featuring at Scarboro Beach this week, with Howard and Clayton, the expert roller skaters, will close their engagement after the evening's performance. There will be a band concert this afternoon and this evening and two concerts on Sunday. The bill is an admirable one, and only unfavorable weather has so far prevented the crowds to which it is entitled. All the popular amusement devices are in full swing, and visitors to the park will find many improvements.

RECRUITING RUSH STILL CONTINUES

One Hundred and Ninety-Five Men Examined at the Armories.

After a brief respite over the holiday, recruiting officials at the Toronto mobilization centre, experienced another big rush yesterday, 195 men applying for medical examination. Of this number 73 were added to the strength of the C.E.F., about 25 were rejected and the remainder were sent to return for attestation after they had settled domestic and business affairs.

Officials express great satisfaction at the way the men are volunteering and are confident that the great majority of those who appear for medical examination only will return and join the colors at an early date, according to their promises. The larger proportion of those who have appeared since the rush started here from Toronto. Some are brought in on the mobile scheme and many come from outside points of their own accord. Very few A.B.s. were seen among the applicants yesterday.
