Total.....	1400

Those Candidates will be placed in the First Class of Honors who obtain two-thirds or more of the aggregate number of marks mentioned above: those who obtain one-half of the aggregate number will be ranked in the Second Class.

The Matriculation Scholarships will be awarded to the two Candidates who rank first and second respectively in the Examination, provided they have obtained at least sixty per cent. of the aggregate number of marks, exclusive of those allotted to Chemistry.

Candidates for Matriculation may not compete for Honor or Scholarships in two Faculties. Those who have matriculated in a Faculty may not compete for Honors or Scholarships at a subsequent Matriculation Examination in another Faculty.

The above Regulations relating to Matriculation will come into force on the 1st October, 1878

REGULATIONS RELATING TO UNDERGRADUATES.

Undergraduates are required to attend Lectures, and receive practical instruction during each of four years, at one or other of the Schools of Medicine recognized for this purpose by the University. The certificates of attendance upon Lectures must mention the precise number of lectures given in each Course, and must certify the attendance of the Candidate at two-thirds of these at least. The Certificates of Practical Instruction must certify that the Candidate has diligently pursued the studies in question for the whole of the time required,
