"OF INTEREST TO ALL."

THE GREAT PAIN KILLER.

NO Medicine has been discovered that is so happily adapted to use internally as drops to be taken and yet perform such wonders when applied externally as a wash, or bath, by friction.

A York Shilling (12 cents) is all you have to risk to try it; and as that sum can be no object to the proprietor, it is hoped that such a price can be no obstacle to any family, and will never prevent its trial.

no obstacle to my satury, and the site trial.

The Parce, from twelve to fifty cents, per bottle, according to the size, will enable all to use it. If you doubt, begin with a 12 cent bottle and that will remove your doubts, and mke you buy, and use, and recommend it to your friends more than a hundred certificates would. Who will fail to try it then, and save life and suffering for a York Shilling. CENTIFICATES to fill, a volume might be published, showing the wonderful effects of 'Mrs. Brown's 'am Killer,' but they are too common, and used or articles of no merit; and the one shilling butle will do more than a thousand unknown names to onymoe the user.
