Mrs. J. S. Nicholls, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would take weak and dizzy spells. A friend advised me to try your Milburn's Heart and Nerve Pills so I started at once, and found that I felt much stronger, and my heart was ever so much better within a short time. I cannot praise this way too highly for it has done me a world of good. My husband has also been bothered with heart trouble ever since childhood and finds great relief in using your valuable pills."

Hairs Quickly Vanish After This Treatment
(Helps to Beauty)

Science has added in multiplying the banishing of hairy growths from the face, and according to a beauty specialist, the most effective treatment yet devised consists of applying a delicate paste to the hairy surface for 3 or 4 minutes. The paste is made by mixing some water with a little powdered dandruff. When this paste is removed and the skin washed every trace of hair has vanished. Be sure to get real dandruff.

That there is very little real distress in St. John was shown by reports at the meeting of the Associated Charities yesterday. The secretary reported that it was impossible to fill the demand for capable maids and the chairman said that he was informed by the superintendent of immigration that he could secure any number of excellent servants from the old country if employers would pay their passage money. The need of greater protection for young girls in the city was discussed.

At the meeting of the Home Guard Company in the customs house last evening officers were elected as follows: David Walmsley, major; W. E. Raymond, captain; Joseph W. Cameron, ensign; R. W. W. Frink, first lieutenant; William Murdoch, second lieutenant, and H. L. McGowan, third lieutenant.

HEART WOULD PALPITATE.
HAD WEAK and DIZZY SPELLS.

Palpitation of the heart is one of the most common of all heart troubles. The heart will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over the system accompanied by weak and dizzy spells, making you feel that you are surely going to die. You can prevent this way what you require is a real good heart and never tonic; one that will strengthen the weak heart and build up the nerve system. For this purpose we know of nothing that can equal Milburn's Heart and Nerve Pills.

Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp stop instantly, glossy, silky and soft and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

D & A CORSETS

Did you contribute to the \$700,000.00 sent from Canada in 1913 to corset makers in the United States, and to the \$245,000.00 paid in customs on them?

Keen Canadian Shoppers have for years bought the "D & A" and the "La Diva" Corsets in preference to the Imported, because they are better value. Justify our statement by comparing "D & A" and "La Diva" against foreign makes. It's only a few old style or prejudiced firms who do not sell these Made-in-Canada Corsets.
