## GOVERNMENT

### HOLDS FIRMLY ON BONUS MATTER

Sir George E. Foster's Announcements in Commons

Objection to Some Clauses in Franchise Bill—The Question of a Drink for a Tired Election Day Worker.

(Canadian Press.)

Ottawa, April 10—Yesterday in the house of commons, Sir George E. Foster said that the government had not changed its opinion that a cash gratuity to ex-soldiers would be impracticable and unwise. He also announced that there would be no federal daylight saving law this year.

An act to incorporate the Canada Security Assurance Company was given third reading.

Four clauses of the Franchise bill were put through within half an hour. The only clause debated was that which deals with the secrecy of the ballot.

T. W. Caldwell (Carleton, N. B.) suggested that the numbering of ballots was inadvisable as it might often provide a means for identification of the ballot.

The solicitor-general said that the numbered ballot was necessary because if a fraudulent voter used another man's name in voting the bona fide voter had to be sworn and the identity of his vote established for use in case of a recount.

Hon. Mackenzie King objected to a sub-section which provided for the appointment by returning officers during polling day of three or more constables each to be used wherever their services might be required. There was always the danger that these squads of police would be used for terrorizing of electors and there was a danger of corruption and of patronage in the appointment of these police.

Mr. Murphy objected. It was so drastic a section which provided that "no spirituous or fermented liquors (whether or not intoxicating) shall be sold or given at any hotel, tavern, shop or other place within the limits of any polling division before, during or after the hours during which the poll is open on polling day."

Mr. Guthrie was quite satisfied to strike out the section and place in its stead a corresponding section in the id est.

In the senate a committee was appointed to inquire into the desirability of the development of shale oil.

The bill transferring the powers of accommodation of Dominion police to the commissioner of Royal Canadian Mounted Police was considered in committee.

### TWIN BABIES DIE WITHIN FIVE MINUTES

Brooklyn, April 10—Martin J. Tarpey and Richard A. Tarpey, twin sons of Martin Tarpey, died within five minutes of each other at the home of their aunt, Mrs. Peter Cruise, 90 Winthrop street, who had been caring for them since the death of their mother, three weeks ago. The babies were regarded as healthy youngsters, and each death was sudden and unexpected.

### NOVA SCOTIA'S NEW ASSISTANT PASTOR OF CHURCH IN MONTREAL

Montreal, April 10—About 250 members of the congregation were in the Erskine church last night at a reception to the new assistant to the pastor, Rev. Neil M. Bette, B. A., who is about to begin his official duties. He is a native of Nova Scotia and spent several years overseas with a Halifax unit.

New Buildings Wanted.  
 Winnipeg, April 10—This city requires between 2,500 and 3,000 new dwellings, including sixty-five apartment blocks to accommodate properly the 15,000 persons seeking homes, according to Building Inspector E. H. Rogers. He said that the new buildings required would cost approximately \$16,000,000. Information in the city's possession revealed that hundreds of workmen were to come to Winnipeg to live permanently cannot bring their families because homes are not available.

**POLICE COURT.**  
 Frank Doucette, charged with stealing feathers from the C. P. R., in the police court yesterday afternoon was allowed to go on a suspended sentence. D. G. Branscombe identified the feathers and said they were valued at \$40.  
 Clement Watt, who was charged with
